ACKNOWLEDGEMENTS

I have deep sense of gratitude to Dr. I.D. Gupta, Director, Central Water and Power Research Station, Khadakwasla, Pune, for his guidance and inspiration at all stages of this work. His valuable suggestions and fruitful discussions were of immense help in carrying out this work.

I am indebted to Prof. R.S. Desai, for his constructive suggestions, affectionate endeavours and untiring help during all stages of this investigation.

The author wishes to express his sincere thanks to Dr. Y.P. Nerkar, Principal, P.V.G.’s College of Engineering and Technology, Pune for his encouragement and for providing all the facilities to complete this work.

I acknowledge with thanks the help rendered by my colleagues, Prof. Mrs. S.V. Joshi, Prof. Mrs. V.S. Samant, Prof. P.A. Kashyape and Prof. M.S. Kore during various stages of this work.

I wish to thank Prof. M.C. Nagoshe and Prof. A.D. Ingle for their help in completing this work.

I shall always be grateful to my wife Mukta for patiently enduring and sharing these years of research with me. Affection and understanding of my daughters Krutika and Shravani during this period was a constant source of inspiration for me.

With obeisance and deep sense of gratitude, sincere thanks are extended to my parents and parents-in-laws for their morale support.
