ACKNOWLEDGEMENT

I am extremely grateful to have **Dr. G. Mahadevan**, Assistant professor and Head, Department of Mathematics, Anna University: Tirunelveli Region as my guide. He was my constant source of inspiration, fruitful discussions, and deep involvement throughout my research. His constant monitoring and valuable suggestions to my research helped me a lot.

I also wish to express my sincere gratitude and thanks to my co-guide **Dr. A. Nagarajan**, Associate Professor, Department of Mathematics, V. O. C. College, Tuticorin, along with my guide thoughtfully steered my research work to have a fruitful end. I owe my gratitude for his valuable help.

I am thankful to **V.O.C College principal** and H.O.D. of mathematics department for allowing me to do research through Dr. S. S. Pillai center for research in mathematics. I am very much thankful to the faculties of the Department of mathematics, V.O.C College, Tuticorin.

I thank the **Vice-Chancellor** and faculty members of the Department of Mathematics, Manonmanium Sundaranar University, Tirunelveli, for giving me an opportunity to do research and to use the facilities of university.

I remember throughout my life **Dr. N. R. Alamelu**, principal, Ramakrishna College of engineering, Coimbatore for allowing me to do my research and for their support.

I am extremely thankful to **Prof R. Kalavathy**, Vice-Principal, Aarupadai Veedu Institute of Technology, Chennai, for their whole-hearted co-operation and encouragement in bringing out this thesis.
I am thankful to Dr. P. Mohankumar, HOD Department of Mathematics, Aarupadai Veedu Institute of Technology, Chennai for his valuable suggestions.

I sincerely thank Dr. J. Pandurangan, retired professor MIT Chennai, for his valuable suggestions and encouragement.

I am thankful to Mrs. Latha Mahadevan for her unfailing hospitality and unstinted cooperation.

I am deeply in debt to my mother Mrs. Alagammal Venkatachala Appaswamy and my brother Mr. V. A. Appaswamy and my sister in law Mrs. A. Mahalakshmi for their constant support and encouragement rendered during this research.

I thank my Husband Mr. S. Venkatesh for his timely help, cooperation, and support at most crucial times.

I thank my father in law Mr. V. Subramanian and my mother in law Mrs. S. Saradhamani, and my in law family and for their moral support and inspiration during the course of research work.

I thank research scholar Mr. T. Subramanian, Department of Mathematics, Anna University, Tirunelveli-region for his timely help and valuable suggestions.

Many people other than I mentioned above also helped me. Though it is not possible to mention all of them here, I want to record here my thankful thoughts and gratitude to them.

A. Rajeswari
