ACKNOWLEDGEMENT

Throughout my research journey, there have been many wonderful relevant people who have provided support and helpful assistance in the preparation and completion of this thesis.

I acknowledged with gratitude for the support and regards from my guide Dr. Dilipbhai G. Patel, Associate Professor, M. B. Patel College of Education, Sardar Patel University for her invaluable guidance and inspirations. He had been always sympathetic and ever smiling throughout research work. Without his inspirations and time supervision, this thesis would not have been completed.

I am thankful to all the experts who have provided their valuable inputs. I am grateful both of Mr. Pravin Mistry, Principal, Anand High School, Anand and Mr. Harshadbhai Patel, Pioneer High School, Anand and Principals of other schools for allowing me to standardize test and implementing programme for collection of data. I am also thankful to school students co-operating me during my research work.

I would like to note deep sense of gratitude to Smt. Jyotsnaben K. Patel, Hon. Secretary, SRKSM for giving me permission to carry out research work. I am thankful to Dr. Divyeshbhai M. Patel, Assistant Professor, Shree M. M. Vaidh college of education, A‘bad and my colleagues for their support and valuable inputs.

Above all, I thank the Almighty God for making it possible for me to complete this thesis. Finally, specially, the thanks to my parents, Husband, son Harshal and friends, who helped and provided the strong will-power during period of my study.
