ACKNOWLEDGEMENT

The investigator wishes to place on record her deep indebtedness to Dr. P. Usha, Senior Lecturer, Department of Education, University of Calicut, her supervising teacher and guide. She has been a source of strength and inspiration to the investigator during all phases of the study. Without her scholarly guidance and forbearance, the investigator would not have been able to conduct the study within the minimum period of time.

The investigator expresses her sincere thanks to Dr. V. Sumangala, Head of the Department of Education, University of Calicut and Dr. P. Kelu, Former Head of the Department of Education, University of Calicut for their timely advice rendered during the investigation.

The investigator would like to express her gratitude to Dr. K. Manikandan (Lecturer, Farook College), Mr. Shivnath Babu of Stanford University, U.S.A., Dr. K. Vijayakumari and Dr. N.S. Mumthas (Lecturers, Farook Training College) and Dr. T.V. Bindu (Research Officer in Chemistry, SCERT, Trivandrum) for their timely help during the different phases of the study.

Finally, the investigator with a sense of obligation wishes to express her sincere thanks to the members of her family and her colleagues for their constant encouragement and moral support for the successful completion of the study.
