ACKNOWLEDGEMENT

I take this opportunity to express thanks to my distinguished supervisor Prof. S. D. Desai, Ph. D. Associate Professor, Department of Chemistry, Sheth M. N. Science College, Patan for his undeviating encouragement, sympathetic understanding, indefatigable guidance, inspiring criticism and absorbing interest during the entire course of present investigations’. I m indeed express my heart full gratitude to Dr. V. M. Barot for keen interest and subjective expert guidance.

I would like to express my gratitude to my parents Mrs. Gangaben Desai & late Shri Ramjibhai Desai and my younger brother Praful Desai for their kind support, love, patience and consistent encouragement which made it possible to reach my goal.

I also thankful to my wife Mrs. Surekha for her kind support and encouragement which made it possible to reach my goal.

Last but not least, I m heartily thankful to Dr. Pramod Patel (M. D. Anhil parental Pvt. Limited, Patan) for his kind help to carry out my some experimental and technical work regarding my research topic at his Anhil parentals Pvt Limited’s sophisticated instrumentation lab.
