ACKNOWLEDGEMENT

I would express my deepest sense of gratitude and thanks to my supervisor Dr P.J Handique, Professor, Department of Biotechnology, Gauhati University, Guwahati, whose precious guidance, care, useful comments, and remarks gave me a huge potential to conclude my thesis work. I am really indebted to him for his constant reading and correction of my thesis innumerable times. His inspiring suggestions and encouragement helped me a lot especially in thesis writing.

Many thanks go to Dr B.C. Basistha, Additional Director, and Mr. K.B. Subba, Assistant Scientific Officer, Sikkim State Council of Science and Technology, Gangtok Sikkim, for helping me in carrying out my tissue culture and molecular work in laboratory of Sikkim State Council of Science and Technology. They have supported me a lot during the period of my study.

I am extremely thankful to Dr Shiva Kumar Sharma, Assistant Scientific Officer, Department of Science and Technology & Climate Change, Govt, of Sikkim, Gangtok, Sikkim, for his support and understanding in carrying out statistical analysis of molecular and ecology data of my thesis work.

I am thankful to Dr. Yasoda Pradhan, Soil Scientist, Department of Horticulture and Cash Crops, Soil Department for analyzing my soil samples in her lab at Gangtok Sikkim.

Many thanks also go to Mr. Dhiren Shrestha, Additional Director, Sikkim State Council of Science and Technology, Gangtok Sikkim, for permitting me to carryout GIS work in his laboratory. My sincere thanks are due to Mr. Narapti Sharma, (ASO), Safal Pradhan, Graduate Teacher, (HRDD), Deokumar Tamang, for valuable assistance during the preparation of GIS map.

I express my sincere thanks to Mr Arun Kalikotay, Primary Teacher, Rolep, East Sikkim, and Dhanraj Chettri, Agriculture Programme Officer, (APO) and to Mr
Laxuman Sharma, Assistant Project Officer, (RMDD) South Sikkim for providing all support during my field study in East and south Sikkim respectively.

I wish to express many thanks to my Aunty, Hem Kumari Pradhan, and Raju Pradhan, South Sikkim, for providing me shelter and food during my field study and Mrs Mitra maya Pradhan (West Sikkim).

I would like to thank to Dr Sonam Rinchen Lepcha, Deputy Director, (SSCS&T) and Mr Inchung Lepcha, for providing me shelter and food during my field survey in Dzongu, North Sikkim.

I extend my sincere thanks to my all friends and colleagues Sweta Rai, Radha Sharma, Srijana Chettri, Saroj Lepcha, Dawa Galmu Lepcha, Neeru Didi, Arvind Goyal, Mousmi Saikia, Rubani, Munim, Ankita, Tanmaya Mishra for their constant moral support, suggestions and advice to my research work. I thank all my friends who have been associated with me during the period of my thesis work.

I am thankful to my uncle (Kaka) Raj Kumar Pradhan, Aunty (Kaki), Nene, Grandmother (Aji) and Sister (Tatha), for their encouragement and support during my study in Gauhati, Assam.

Last but not least, I am very thankful to my parents, my sister (Sujata Pradhan), brother-in-law (Mahendra Pradhan), brother (Sujeet Pradhan), Sister-in-law (Diki Pradhan) and my beloved Manjila Sharma, for their love, patients, encouragement and support throughout this study without which it would not have been possible to accomplish the work.
