ACKNOWLEDGEMENT

I express my deep sense of gratitude and indebtedness to my guide Prof. Shikhar Kr. Sarma, HOD, Dept of Information Technology, Gauhati University, for his constant supervision, calm and quite constructive criticisms, encouragement and skillful guidance throughout the entire study.

I sincerely oblige to all members of the DRC Committee, Dept of Computer Science, Gauhati University, for granting me permission to carry out my work and register myself as a Research Scholar in that Dept. I take the opportunity to express my deep sense of gratitude to Prof. Anjana Kakati Mahanta, HOD, Computer Science, Gauhati University, for her valuable suggestions, guidance and support during the course of my research work.

I avail the opportunity to express my sincere gratitude to the Dean, Faculty of Science, Prof. Pranayee Dutta, HOD, Electronics Science, Gauhati University for providing necessary facilities and supporting me to carry out my work.

I am very much thankful to Ahidur, Suleman, Promod, Sarma and Bhatta of I. T. Lab. of I.S.T., Gauhati University for their helps and cooperations for the experimental observations of my work. My special thanks goes to Mr. Deep Singha, L.C.B. College for sharing the experience of his project and also for his help and suggestions in collection of the data.

I am also thankful to Fakharuddin, Rabindroo, Mizanur, Anup and Jumi for their cooperation and rendered help. Special appreciation and gratitude are extended to my parents, all the friends and all the well wishers for their help, understanding and sacrifice during the period of study.

Last but not the least my heartfelt thanks goes to my husband and my child for their help, cooperation and sacrifice throughout the course of my Ph.D. Work.
