Acknowledgement

I acknowledge my sincere gratitude to Dr. Umesh C. Goswami, Professor, Department of Zoology, Gauhati University for his patience, motivation, enthusiasm, and constant guidance and supervision in the entire work. I am immensely obliged to him for his valuable suggestions and encouragement with inspiration and helping me at different stages of the study which enabled me to successfully complete this research work. This thesis would not have been possible without the guidance and the help of him.

I would like to extend my sincere gratitude to Dr. Karabi Dutta, Professor and Head of the department of Zoology for giving me the opportunity to avail the departmental facilities and valuable suggestions and help extended during the course of my study. I am grateful to my teachers Dr. D. K. Sarma, Dr. A. Dutta, Dr. A. Borkotoki, Dr. M. M. Goswami, Dr. R. K. Bhola, Dr. J. Kalita, Dr. J. C. Kalita and Dr. P. K. Saikia and other faculty members of the Department of Zoology, Gauhati University for their valuable suggestions and encouragement throughout the period of my study.

I would like to thank Dr. U. Ramakrishnan and the staff of Lab 3 of NCBS-TIFR, Bangalore for providing assistance and laboratory facilities for part of my work. A special word of thanks is due to Mr. Buddhadev Sarma, Athira Perinchery and Samrat Mondol.

My sincere thanks also goes to Prof. B.M. Kurup and Prof. Anna Mercy of Dept. Industrial Fishery, Cochin University; Prof. Neeta Sehgal, Dept. of Zoology, Delhi University; Prof. R. K. Sinha, Dept. of Zoology, Patna University; Prof. M. Z. Chishti, Dept. of Zoology, University of Kashmir; Prof. G.K. Kulkarni, Dept. of Zoology, University of Marathwada, Aurangabad for their kind help.
Special thanks goes to CIFRI- Barrakpore, Allahabad, Bangalore and Baroda; CIFE-Mumbai; CIFA-Bhubaneswar; CIBA- Chennai; NIN- Hyderabad.

I would like to thank Dr. Dhanjit Kumar Das of National Institute for Research in Reproductive Health, Mumbai and Mr. Pawan kumar of NIN of Hyderabad.

I would like to thank Dr. Nripendra Nath Sarma, Former HOD of Zoology, Bajali College, Pathsala, Assam for his valuable suggestions.

I am thankful to people especially fishermen who extend their kind cooperation during field survey work and collection of data from rivers and wetlands.

I owe my deepest gratitude to Mr. Phukan Pathak of for assisting me in field survey work at Kapla beel.

My special thanks to the Administrator of Jawahar Guest House for providing me accommodation during my stay at Bangalore.

I am very grateful to Ms. Upasha Devi and my fellow research scholar for their help during this work.

Finally, my warmest thanks are to my parents, husband and all family members for their love, constant support, encouragement and understanding.
