ACKNOWLEDGEMENTS

The author wishes to record his indebtedness with sincere and heartfelt gratitude to Dr. A. Rashid Chesti, Professor and Head Metallurgical Engineering Department, Regional Engineering College Hazratbal Srinagar, Kashmir, Dr. P. S. Misra and Dr. A. K. Patwardhan of Metallurgical Engineering Department University Of Roorkee, U.P for inspiration and expert guidance, active supervision through provoking discussions, illuminating suggestions given during the entire period in all the phases of this investigation. But for their timely and untiring help, it would not have been possible to present the thesis in its present form.

The undersigned extends thanks to the authorities of Regional Engineering College, Srinagar for permission to pursue research work and special thanks to the authorities of Roorkee University for allowing me to carry out the experimental work in the laboratories of Metallurgical Engineering Department and University Scientific and Instrumentation Centre.

The author is grateful to Dr. M. L. Kapoor, Prof. and Head Of Metallurgical Engineering Department, University of Roorkee for providing all kinds of facilities of the department throughout the duration of this work.

Contributions by Dr. Vinod Kumar, Dr. D. B. Goel, Sri Shravana Kumar, Dr. R. P. Ram, Dr. Surinder Singh, Dr. S. K. Nath, Dr. Satya Prakash Sri S. N. P. V. Prasad Rao and Sri Anil Kakkar in terms of useful discussions and encouragements are gratefully acknowledged.
I am also grateful to Sri B.M. Kataria, Managing Director, Mahindra Sintered Products, Pune and Dr. S. Basu, chief Metallurgist, Asia Sand Vick, Pune for their help and moral encouragements.

I wish to record my sincere thanks to Dr. K. C. Mittal, Director, University Scientific Instrumentation Centre (USIC), Roorkee University for providing facilities for EPMA, X-ray diffractometry and scanning electron microscopy (SEM).

I am also thankful to OC's and laboratory staff of different laboratories of the department and particularly to:

S/Sri

- M. M. Singal
- J. P. Sharma
- S. K. Seth
- S. P. Kush
- S. B. Sharma
- Mohd Sultan Sofi
- Shakti Kumar Gupta
- M. S. Vaish
- Kashmiri Singh
- Abdul Gafoor
- Ajmehar Singh
- R. Hudda
- A. Asokan
- Mrs Rekha Sharma and
