ACKNOWLEDGEMENTS

All my endeavour would have been an exercise in futility had it not been for the timely advice, assistance and accompaniment of my research supervisor Dr. R. ABBAIAH, M.Sc.,Ph.D., Reader, Department of Statistics, S.V. University, Tirupati.

I am deeply indebted to my mentor Prof. C. Subbarami Reddy, M.Sc.,Ph.D., Professor of Statistics, Head of the Department and Chairman, Board of Studies (Statistics) who played a pivotal role in shaping and moulding the fabric of my thesis work. He galvanized me into action and did an yeoman’s service in getting my dissertation work done with such precision.

My special thanks are due to Prof. N. Venugopal, M.Sc.,M.A.,Ph.D., Professor of Statistics, S.V.University, Tirupati and Dr.P. Balasiddamuni, M.Sc.,Ph.D., Reader in Statistics, S.V.University, Tirupati for their benevolence. This tome would not have seen the light of the day but for the morale instilled by them.

I am grateful to Mr. C.L. Kantha Rao, M.Sc.,M.Phil Lecturer in Statistics, Sri Sarvodaya College, Nellore who stood by me through thick and thin and I owe a deep sense of gratitude to him.
I am also grateful to Mr. B. Neelavendra Rao M.Sc., Lecturer in Statistics and Mr. R. Ramesh Babu, M.Sc., Lecturer in Statistics, Sri Sarvodaya College, Nellore for their active cooperation.

I am profoundly beholden to Dr. A. Jyothi Babu, M.Sc., Ph.D., who saw me through the arduous task of Computer data analysis and other allied works.

I should like to express my appreciation to Sri D.V. Chalapathy who typed a manuscript plentifully sprinkled with mathematical symbols.

My special acknowledgement should be made to my wife Jyothi, daughter Haripriya and son Swaroop Kumar.

Last but not least, I tender my thanks to my intimate friends, I.Srinivasulu, M.A. and S.Balasubrahmanyam B.Tech., M.B.A., who embellished my presentation and added punch to my expression.
