ACKNOWLEDGEMENT

At the very outset, I bow my head with reverence to the Supreme God, by whose blessings I have been able to cross another milestone of my life. I thank the Providence, for bestowing upon me, the opportunity to engage myself in research and I am sure that almighty will guide my intellect which would enable me to make meaningful contributions to science.

I feel highly privileged to express my sincere regards and gratitude to my Supervisor Dr. Sanjay Naithani for his dynamic leadership, competent guidance and meticulous suggestions during the course of my work. I thank him for his support and the freedom he gave me to pursue my research with ease and confidence. His commitment to work stimulated and encouraged me to work even harder and hence also developed a right attitude not only for the research work but also as a managed human being.

Words cannot adequately express my gratitude to my Co-Supervisor, Dr. Rita Kumar for her constant guidance, unconditional support and encouragement throughout the course of my research. This thesis grew out of a series of discussions with her. Her comments on chapter drafts are themselves a course in critical thought upon which I will always draw. She has not only guided me throughout the phase of my Ph.D. but also shaped my efforts, personality and thinking in a manner that will always direct me towards a happy life. She herself being a hard working and focused person has inculcated in me an attitude to face every challenge in high spirits.

I am also thankful to Dr. P.P. Bhojvaid, Director, Forest Research Institute, Dehradun, Dr. Rajesh Gokhale, Director IGIB and Dr. R.M. Mathur, Director CPPRI for kindly providing me the necessary environment for research and allowing me to make full use of the diverse laboratory facilities at the Institute to carry out this work.

In addition, I am indebted to all lecturers during my course work in FRIDU. A special thanks to Mr. Raman Nautial and Mr. Javed Ashraf for their guidance and support. I would earnestly thank the member of my Research Advisory Committee, Dr. S.P. Goyal, Dr. N.S.K Harsh, Dr. H.S Ginwal, Dr. Ashok Kumar, Dr. Amit Pandey and Mr. Raman Nautiyal for their profound interest, close supervision and valuable suggestions.

I would like to convey my sincere thanks to Dr. P.K. Gupta, Dr. S.P. Singh, Mr. Gyanesh Joshi, Mr. Ashish Sharma, and other staff of Cellulose and Paper Division for providing necessary help when required.
I would like to acknowledge Dr. R. K. Jain, CPPRI Saharanpur for providing me an opportunity to work in his lab. I am also grateful to Dr. Suresh Panwar and Dr. V.V. Thakur for their help during my stay at CPPRI. A special mention to my friends at CPPRI, Diwakar, Dharmendra,Vipin, Leela, Chetna, Salim, Swati and Sandeep. I would also like to acknowledge the help and support I got from the staff at Star Paper Mills Pvt. Ltd. Saharanpur. A special thanks to Mr. I. J. Singh, Mr. V.K Tyagi and Mr. S. Jindal for their cooperation.

I am very thankful Dr. Anil Kumar for his help and valuable suggestions. His scientific aptitude is really commendable and the stimulating discussions we had were always gratifying.

Words are not enough to express my gratitude to Dr. Purnima Dhall for her selfless help, care, motivation and suggestion. She was always helped me at each and every step. I admire her hard work, courage and management. Thank you very much Mam for your support during the tenure.

Heartfelt gratitude is also extended to Dr. Niha Mohan Kulshrestha for her inspiring guidance, motivation, help and valuable suggestions.

A special mention to Mr. Manash Chandra Majhi, Dr. Saurabh Gupta, Dr. Rashmi Saini, Mr. Mritunjay Saxena and Mr. Abhisek Kumar Behara. It was like having a family member at every floor, whose door you could knock anytime for anything. I would also like to thank my roommates Permendra and Rakesh for being there both in good times and bad and making my stay at Delhi, a pleasurable experience.

I would also like to acknowledge the help provided by Mr. Yogendra Prakash Singh, Reena, Shraddha, Jyoti, and Shweta for being there whenever I needed. I was lucky to get help by Supriya, Deepika, Tannu, Bhumika and Neha as summer trainee. Their interest to learn and actively participate in designing experiments has inspired me a lot. Thanks to Harpal Sir, Rambir Bhaiya, Sanjeev and Barjeel for their timely assistance in the lab.

Special thanks goes to Dr. Prabhanshu Tripathi, Dr. Sapna Tripathi, Dr. Krishna Kumar, Dr. Meenal Dhall, Dr. Sanjay Kumar Patel, Dr. Mahesh Seth, Dr. Gunjan Arora, Dr. Hemant Gupta, Mr Jaidev Joshi, Mr. Prasoon kumar, Mr. Dhanpal, Mr.Sanjay Shahu, Mr. Sagar, Mr. Parvez, Ms. Preeti Bansal, and Mr. Manindra Sharma for their help, suggestion and moral support.

I would never forget the inspiration guidance and moral support of my batch mate and friends Mr. Narendra Kumar Bhatia, Ajeet, Nemit, Salim, Sandeep, Prem, Vinod,
Saurabh, Shamresh Ravi, Manpreet, Santosh, Sudesana, and Indu. I am greatly thankful to my seniors Mr. Akhilesh Kumar, Mr. Amrendra Bhoosan, Mr Yudhishthir Dutt, Mr. Soni Sinha, Mr. Alok Dubey and Mr. Prasoon Kausik. A special thanks to Mr. Shaardesh Kumar Chaurasia for providing me the affection and unhesitant cooperation. I will always remember the help and cooperation provided by Ms. Jyoti Bist and Ms. Pooja Tripathi.

I also thank my dearest friends Awakash, Ankit Abhilasha, Anupam, Chandardev Pragya, Ramesh and Rajkumar for their endless patience and encouragement. I could always count on them for helping me during my emotional struggles and putting back a smile on my face. I pray to the Almighty for their success and happiness.

The acknowledgement would be incomplete without thanking my family. The encouragement and unconditional support from my parents (Smt. Sudama Pal and Shri Rajaram Pal) is a powerful source of inspiration and energy. My parents have always put education as a first priority in my life, and raised me to set high goals for myself. I hope I fulfill their dreams and aspirations.

Thanks to all those whom I might have missed unknowingly but whose invisible help materialized this cherished vision. I will end here with a very true quote by Orison Marden:

"Success is not measured by what you accomplish but by the opposition you have encountered, and the courage with which you have maintained the struggle against overwhelming odds."

Virendra Kumar
