Acknowledgements

With the deepest gratitude I wish to thank every person who has come into my life and inspired, touched, and illuminated me through their presence.

I feel immense pride in expressing my deep sense of gratitude and indebtedness to my Supervisor, Dr. Y. P. Singh, Scientist-E, Forest Pathology Division, Forest Research Institute, Dehradun, for his valuable guidance, constant supervision, tireless inspiration, and affectionate attitude during the entire research work and preparation of the manuscript.

My sincere thanks to my Co supervisor, Dr. J. Kumar, Dean, College of Agriculture, G. B. Pant Uni. of Ag. and Tech., Pantnagar and Dr. R.C. Dhiman, General Manager, Wimco Seedlings for their guidance and valuable cooperation.

I am thankful to Dr. P. P. Bhojvaid, Director, Forest Research Institute (FRI), Dehradun for granting permission to carry out project work at this reputed Institute.

I also express my gratitude to Dr. Amit Pandey, Scientist-F, Head, Forest Pathology Division, FRI for all kinds of support.

I owe my regards to Dr. N. S. K, Harsh, Scientist-G and Dr. Ashwani Tapwal, Scientist-D for their constant encouragement.

Sincere thanks to Mr. S. Kaushik, Chief Librarian and staff of National Forest Library and Information Centre, F.R.I. for helping me to use library facilities.

I also feel thankful to Dr. A. K, Tripathi, Registrar, FRI, Deemed University for all the help in administrative matters related to the degree.

I would like to extend and owe my due regards Mr. J. N. Gandhi and all workers of Wimco Seedlings for helping me in field work.

I am highly indebted to Mr. Raman Nautiyal and Mr. A. S. Chauhan, Directorate of Statistics, I.C.F.R.E, for supporting statistical analysis of the data.

The successful completion of my research work was made possible through the invaluable contribution of a number of people. Thus, I am highly thankful to Shri Nagendra Singh, Shri Anil Khaneja, Shri Vijay, Shri Chandra Mani Pant, Shri Pradad and all the employees of Forest Pathology Division of FRI who helped me in the entire course of the investigation.

I am also thankful to my laboratory seniors for the invaluable help, support and wishes, Shri Solomon Das, Shri Kartik Uniyal and Dr. Sajala Mishra, in every step of the thesis work. I thank to Dr. Sona Singh, Shri Rajendra Prasad, Jyoti Bist, and Shikha Thakur, Pallavi Bhattia and Dinesh Panwar for their constant help and generosity.
I am thankful to my friends Ms. Kavita, Ms. Suman Rawat and Ms. Pooja Panwar, for their personal encouragement, valuable and skillful help throughout the thesis work.

My thanks are due to Ms. Monica Panwar, Ms. Jyoti Kandpal, Ms. Jayati Rawat and Ms. Nisha Yadav for their help and support.

I am also thankful to my juniors, Yojna Thapa, Stuti Mishra, Anil Uniyal, Gauri Gupta and Shagun Minhas for all the help in the preliminary work.

Fervent thanks to the amiable company of my friend, Mr. Vijay Rawat and Ms. Savita Purohit for having confidence in my abilities and pulling me up when I was down.

I am highly indebted to my parents for their never ending love, care and dedication in my upbringing, for their patience and moral, without their blessings the present endeavor would have never been fulfilled. I wish to extend my thankfulness to my sister, Yogita and her husband Mr. Sandeep Kala, brother Nitin Bagwari and bhabhi, Ms. Swati Bagwari for all their love and constant support during this pursuit.

At the nib but not at the neap tide, I would like to express my deep sense of gratitude, love and affection towards all the people who have helped me but could not find a special mention.
