ACKNOWLEDGEMENT

I am grateful to my Parents for being the lights of my life and for their love, care, wisdom, encouragement, financial support and their belief in constant education and also for sharing my joy and sorrows during my life.

A special thanks to my supervisor Dr. T. Palvannan M.Sc., Ph.D., Assistant Professor, Department of Biochemistry and Director, Periyar University PG Extension Centre, Dharmapuri, for this support in my educational journey throughout the whole Ph.D study. He has been scientifically strong sparring partner and his constructive criticism has been essential for this work.

I am grateful to Dr. G. Sudha M.Sc., M.Phil., Ph.D., Head (i/c), Associate Professor, Dr. M. Suriyavathana M.Sc., M.Phil., Ph.D., Assistant Professor, Dr. V. Manju M.Sc., M.Phil., Ph.D., Assistant Professor, Department of Biochemistry, Periyar University for their valuable advice during the whole project period.

I owe my thanks to Dr. G. Saravanam M.Sc., M.Phil., Ph.D., Assistant Professor, Department of Biochemistry, K.S.R. College of Arts and Science, for his help in planning and execution for the animal experiments.

I am grateful to Dr. P.M. Ayyasamy M.Sc., M.Phil., Ph.D., Assistant Professor, Department of Microbiology, Periyar University for his valuable suggestions, timely help and support.
I am also thankful to Dr. N. Sundarabalaji M.Sc., M.Phil., Ph.D., Assistant Professor, Department of Bioinformatics, Bharathiar University on his valuable suggestions on docking study, timely help and support and I also express my sincere thanks to Dr. S. Alagendran M.Sc., M.Phil., Ph.D., Assistant Professor, Department of Biochemistry, Bharathidasan University for his constant encouragement, valuable guidance and constructive criticism throughout the course of study.

The piece of work would have not been successful without the co-operation of my colleagues Ms. P. Pratheebaa, Mrs. K. Poonkuzhali, Mr. M. Arulkumar and Mrs. P. Chitra Research scholar, Department of Biochemistry, Periyar University.

I am also thankful to my juniors Ms. P. Ratha, Mr. R. Vijayan and Mr. S. Penislusshiyan Department of Biochemistry, Periyar University.

I wish to thank all of my friends G. Prakash, J. Silambarasan, P. Sivaguru Research scholars, Department of Chemistry. I also remember with pleasure the unfailing help received from my friends R. Seenivasagan, P. Prabhakaran Research scholar, Department of Microbiology, S. Kumar, Research scholar, Department of Biotechnology, P. Perumal Research scholar, Department of Bioinformatics, Bharathiar University, J. JayaPrakash Research scholar Department of Physics, Periyar University and finally many thanks to Mr. P. Manivannan, Junior assistant and Mrs. K. Dhanam lab technician, Department of Biochemistry, Periyar University, Salem-11.

K. BALAN
