ACKNOWLEDGEMENT

It gives me great pleasure to express my deep sense of gratitude and sincere thanks to my respected research supervisor, Dr. P. PERUMAL, Professor & Head, Department of Biotechnology, Periyar University for his renowned guidance, patience, constant motivation in research and personal care. His energy and enthusiasm has developed my own passion for research.

I am privileged to thank the authorities of the Periyar University for their encouragement by providing me University Research Fellowship with facilities available in the University to pursue my research work.

And I am specially thankful to the Department of Science & Technology, Govt. of India, New Delhi, for the award of Research Fellowship under the scheme, “INSPIRE Programme”.

The critical comments and valuable suggestions for the improvement of research quality offered by my Doctoral Committee members; Dr. D. Natarajan, Asst. Professor, Dept. of Biotechnology, Periyar University and Dr. P. Santhanam, Asst. Professor, Dept. of Marine Science, Bharathidasan University, Tiruchirappalli are gratefully acknowledged with thanks. And my thanks are due to Dr. P. Venkatachalam, Associate Professor, Dr. N. Elangovan, Dr. M. S. Shivakumar and Dr. (Mrs) P. Indra Arulselvi, Asst. Professors, Department of Biotechnology, Periyar University for their constructive suggestions and encouragements.

I wish to express my deep sense of gratitude to Drs: A. Sait Sahul Hameed and A. Abdul Rahuman, Associate Professors, Dept. of Zoology, C. Abdul Hakeem College, Melvisharam (Vellore) and to Dr. (Mrs) S. R. Radhika Rajasree, Scientist-D, Dept. of Life Sciences, Sathyabama University (Chennai), for their kind help and advice during the period of my research.

I am indebted to Dr. M. Ravi, DST-SERB Young Scientist, Centre for Ocean Research, Sathyabama University (Chennai) for all the selfless help rendered to me at every stage of my work.
I extend my sincere thanks to the in-charge of Sirago Fish Farm, Nerinjipettai (Mettur) and Inland Fisheries Department, Govt. of Tamil Nadu, Mettur Dam, for their timely help with the supply of fish samples throughout my study.

I thank Dr. V. Balasubramanian, UGC - Dr. D. S. Kothari Post-Doctoral Fellow and to Dr. M. Raja, DST-SERB Young Scientist, for their kind support for improving my thesis.

I express my heartfelt thanks to my co-researchers: Mr. B. Prakash, Mr. S. Kumar, Mr. A. Pazhanimuthu, Mr. C. Raj Thilak, Mrs. M. Anandhi, Mr. T. Natarajan, Ms. R. Keerthana, Ms. R. Sowmiya and to the M. Phil scholars for their kind cooperation. I also express my heartiest thanks to colleagues from the Depts. of Microbiology, Physics, Education and Computer Science.

I wish to thank the Non-Teaching staff members of the Department of Biotechnology, Periyar University, for their kind help.

I extend my thanks to Mr. C. Jayaseelan, Research Scholar, Dept. of Zoology, C. Abdul Hakeem College, Melvisharam (Vellore) and to Mr. T. Y. Suman, Research scholar, Dept. of Life Sciences, Sathyabama University (Chennai), for their kind support during the period of my research.

Last but not the least, my heartfelt thanks are due to my beloved parents and my family members for their kind support, constant encouragements and patience throughout my work.

(R. RAMKUMAR)
