ACKNOWLEDGEMENT

Any piece of research, being a team work is almost impossible to complete without the help of others. This study has also been possible through the whole hearted co-operation of many scholastic persons and well-wishers. I deem it an act of high pleasure to acknowledge them here.

I wish to place on record my deep sense of indebtedness and gratitude to my guide Dr. A. SANGAMITHRA, Assistant Professor of Economics, Bharathiar University, Coimbatore, who gave me the golden opportunity to start, carry out and complete this research work. Certainly, she is kind enough by providing her valuable time for my research, and giving her concrete suggestions, tireless encouragement and supervising the thesis thoroughly throughout the course of the research work. Her valuable guidance and constructive criticisms have kindled fresh thinking and her profound affection towards me.

I am very grateful to Dr. C. Swaminathan, Vice-Chancellor, Dr. P. Thirumalvalavan, Registrar, Dr. B.Muniyandi, Professor and Head of the Department, Dr. V. Aubumani, Professor, Dr. K. Govindarajalu, Professor, Dr. B. Vanitha, Associate Professor, Dr. S. Boopathi, Assistant Professor, Dr. P. Shanmugam, Assistant Professor, Department of Economics, Bharathiar University, Coimbatore, for having given me the opportunity to take up the research work.

I acknowledge my thanks to the Management and Dr. (Mrs.) J. Manjula, Principal, Sri G.V.G. Visalakshi College for Women, for their encouragement in completing this research work.

I express my thanks to Dr. (Mrs.) T. Rugmani Bai, Associate Professor and Head of the Department, and all the staff members of the Economics Department, Sri G.V.G. Visalakshi College for Women, Udumalpet for their help rendered during my research work.

It would have been impossible for me to complete this study without the help of the building contractors, engineers, the respondents of construction industry, besides the officials of various building owners of Coimbatore. I sincerely thank all of them.
I would like to thank to Dr. Rajaram, Professor, Government Arts College, Coimbatore for his assistance in the application of econometric tools.

I express my sincere thanks and gratitude to my beloved husband Mr. V. Kalimuthu, Chartered Accountant, my daughters K. Abinaya and Kavyashree, my sister K. Dhanamani, and my brother-in-law Mr. K. Raju for their support, encouragement and patience during the long period of my study.

I am especially indebted to my beloved friends and scholars from the Department of Economics, Bharathiar University, Coimbatore.

I express my thanks to Subha Shree Computers for typing the project neatly.

I acknowledge all the others who had helped me in one-way or other during the course of the research.

K. Kaliammal
