ACKNOWLEDGEMENTS

The present author is greatly indebted to Dr. S. Adam Shafee, Reader, Department of Zoology, Aligarh Muslim University, Aligarh, for his most valuable guidance and supervision and for taking great pains in critically going through the manuscript. She is grateful to the Chairman, Department of Zoology, for providing research facilities. She is thankful to University Grants Commission and Indian Council of Agricultural Research, New Delhi, for providing financial assistance during the tenure of this work. Thanks are also due to Dr. M. Younus Khan and Dr. M. Yousuf for useful suggestions and assistance.

Lastly, she would like to thank her sister Mrs. Mauj Fatma, Lecturer, Ajmal Khan Tibbiya College, Aligarh, and her brother-in-law Dr. S.M. Imran, Department of Community Medicine, J.I. Medical College, Aligarh, for encouragement.
