ACKNOWLEDGEMENTS

I am greatly indebted to Dr. Jamil Ahmed Khan for supervising this work. I am thankful to Professor S.M. Alam, Head, Department of Zoology, Aligarh Muslim University for providing facilities.

Grateful appreciation is expressed to my lab colleague, Mr. Jaweed A. Siddiqui and other friends for their co-operation and help in many ways. Lastly, grateful acknowledgement is made to CSIR, New Delhi for financial assistance, without which this work would not have been possible.
