ACKNOWLEDGMENT

I am indebted to Prof. Nawab Hasan Khan, former Chairman, Department of Zoology and my then supervisor for his able guidance, useful suggestions and provision of necessary facilities in the Department of Zoology of A.M.U. Aligarh.

My sincere thanks are due to Prof. Mumtaz Ahmad Khan, later supervisor for his critical, useful and technical suggestions which were valuable in finalizing the present text and the presentation of data.

I express my gratitude to Prof. Man Mohan Agarwal for his continued help and cooperation.

Thanks are also due to my colleagues for their support.

I am grateful to the council of scientific and Industrial Research for financial assistance in the form of Junior and Senior Research Fellowships.

The author extends her special thanks to M/S Blessing Enterprise for their constant help for shaping and formatting of the manuscript.

In the last but not the least I express my hearty thanks to my husband Dr. Nadeem Adhami for his cooperation and encouragement.
