ACKNOWLEDGEMENTS

It is my great pleasure to acknowledge my respected guide Prof. and Dean, Ather H. Siddiqi, Faculty of Life sciences, A.M.U, Aligarh, for his excellent guidance, moral support, and valuable suggestions throughout the course of investigations.

I am indebted and thankful to Prof. and Head, (Mrs.) A. Varghese, Dr. (Mrs.) U.K. Baveja, Associate Professor, and Dr. V.K. Sharma, Associate Professor, Department of Microbiology, Maulana Azad Medical College, in providing me the laboratory and animal house facilities. Their inexhaustible source of inspiration helped me to complete the present work.

I am also indebted and thankful to Prof. and Head, (Mrs.) Lata Saini and Dr. A.J. Chitkara, Department of Paediatrics, L.N.J.P.N. Hospital, Prof. and Head, A.K. Gupta, Department of Ophthalmology, Guru Nanak Eye Centre, Prof. and Head, V.N. Sehgal, Dr. G. Srivastava and Dr. Monoj Jain, Department of Dermatology, L.N.J.P.N. Hospital, Prof. and Head, (Mrs.) Meena Gupta and Dr. M.M. Mehandiratta, Department of Neurology, G.B. Pant Hospital, Dr. D.K. Shome, Associate Professor, Department of Pathology, M.A.M. College, for their keen interest, encouragement in carrying out the experimental works embodied in this investigation.

My sincere gratitudes for Dr. A. Voller, Toxocara Reference Lab, England, for providing standard antigen and antisera.

From the depth of my heart I thank my lab colleague Dr. Rita Goyle for her manifold help, constant cooperation during experimental work, valuable discussion and helpful suggestions to materialise the present work.
My everlasting thanks to Dr. S.M. Alam, Dr. S. Asraf, Dr. S. Karmokar, Mr. B. Mittra, Mr. B.K. Sharma and Mr. S. Singh for their manifold services. Mr. Murthi and Mr. Junija, Cytology Research Centre, M.A.M. College, deserve a word of praise for the statistical analysis of the data, Mr. R. Sharma, Mr. A. Sharma and Mr. Paramjit for expert word processing and typing of the manuscript and Mr. Bhagwan Dass, for photography.

A token of deep appreciation to lab-Attendants, Mr. Charan Singh and Mr. Madan Prakash, who helped me most throughout the experimental work.

The present work was accomplished with the financial assistance of Indian Council of Medical Research.

At last, but not least, I would like to express sincere gratitude and indebtedness to my respected parents for their blessings and constant encouragement.
