ACKNOWLEDGEMENTS

The author is deeply indebted and express deep sense of
gratitude to Dr. Navab H. Khan, Professor of Zoology, Aligarh
Muslim University, Aligarh, for his affection, guidance, constant
encouragement during the progress of this work. I am grateful
to the Head, Department of Ecology of the Aligarh Muslim University
for providing necessary facilities to carry out the present work.

Heartiest thanks are also due to Dr. S.S. Gupta, Principal,
D.S. College, Aligarh for his continuous encouragement and
blessings. I am thankful to all my friends and colleagues in
the department for their help and co-operation.

The author is grateful to U.G.C., New Delhi, for the
award of Teacher fellowship under Faculty Improvement Programme.
