I am unable to find the appropriate words to express heartfelt sense of gratefulness to my venerable teacher and Supervisor Dr. M. Qasim Husain, Reader, Department of Psychology. He spared his valuable time inspite of tight teaching schedules to guide this research work. It was not feasible for me to complete my work without his keen involvement, expert knowledge and deep insight into the subject. I shall ever be grateful to him for his everready helping nature.

I am very much thankful to Prof. A. Jamil Qadri and Prof. S. Sultan Akhtar, Department of Psychology for their constant encouragement, moral boosting and keen interest shown for the completion of my research work.

I am grateful to Prof. Afzal Kureshi, Chairman, Department of Psychology, Aligarh Muslim University, Aligarh for providing me research facilities and extended his support whenever needed for my research work.

I am indebted to Dr. Wamar Hasan, Dr (Mrs) Hamida Ahmad, Dr. A.S. Zilli, Dr. Rahat Ali Khan, and Dr. Mahmood S. Khan of Department of Psychology, A.M.U., Aligarh for their encouragement, morale-boosting to complete this research work.
I owe a special thanks to my friend Ibney Hasan for his cooperation and moral support.

I express my thanks to the subjects of this research work. I shall be failing in my duties to record my gratefulness to Mr. M. Riaz Khan for typing this manuscript within a short period.
