Acknowledgement

Praise is to Almighty God, the creator, the cherisher and the sustainer, who has created the universe and inspired man to think and make observations of it.

The accomplishment of my PhD work would have been possible without the grace and mercy of God. I very humbly thank to God and pray him to grant me success in all my future endeavors.

I express my deep gratitude to my reverend supervisor ‘Dr. Shah Alam’ as his tireless efforts, scholarly advice and guidance has been the pillar of my strength which not only helped me to complete this task but excel in every academic pursuit.

I take this opportunity to thank ‘Prof. Mahmood S. Khan’, Chairman, Dept. of Psychology who has been a great source of knowledge and inspiration during each and every endeavor of mine. I also want to express my gratitude to all my teachers for extending full cooperation and encouragement.

As a special gesture of appreciation I would like to thank my colleagues and friends for their unfailing help. I am also grateful to the non-teaching staff for their time to time support.

I do not find appropriate words to express my sincere thanks to my parents and family members for their constant morale boosting and providing me every possible help whenever needed. My father Mr. M.C .Garg supported me to accomplish my data collection from the various...
banks. My mother Mrs. Prabha Garg's and my father's blessings, emotional support and expensive concern is difficult to say in words. I express my deep sense of gratitude to my elder brother Anurag Garg, bhabhi Bhawna Garg and younger brother Vivek Garg for their extremely prompt cooperation and encouragement. My father in law Mr. R.P. Agarwal, mother in law Mrs. Lalita Agarwal, brother in law Manoj Agarwal, Sister in law Dr. Reshu Agarwal & Anshu Agarwal and nice and sweet nephew Prakshar Agarwal all encouraged me a lot. Without their support this work would have remained an unaccomplished task. At last but not the least I have no words in acknowledging my husband Dr. Manish Agarwal's support and incessant encouragement, which not only inspired confidence in me but also enhanced enthusiasm in my struggle to achieve my academic goal.
