ACKNOWLEDGEMENT

The accomplishment of this endeavour would not have been possible without the will of Almighty Allah. I very humbly thank to Allah and pray that He give me strength in successful completion in all my rightful endeavours in future.

I take this opportunity to express my sincere appreciation and grateful thanks to my supervisor Dr. Tabassum Rashid, Lecturer, Department of Psychology, A.M.U. Aligarh for sparing her valuable time and her able guidance and benevolent attitude which have been a constant source of encouragement for me. Her valuable suggestions, many editorial efforts and moral support enabled me to accomplish this work.

I would also like to thank Professor Shamim Ahmad Ansari Chairman, Department of Psychology, A.M.U. Aligarh for providing best available facilities in conducting the present endeavour along with his expert comments and suggestions.

I would also like to thanks Prof. Saeeduzzafar, Prof. (Mrs.) Hamida Ahmad, Prof. Akbar Hussain and Prof. (Retd.) Qamar Hasan former Chairman, Department of Psychology, A.M.U. Aligarh for their continuous help and moral support time to time to boost my interest in this study.

I fail to choose proper and appropriate words for expressing regard to my beloved parent, Late Nesar Ahmad Khan and Late Mrs. Aisha Begum who had been a life time source of encouragement and inspiration for achieving the goal.
I would also like to thank my brother Dr. Rashid N. Khan, sister-in-law, Mrs. Seema Khan and all my nephews, nieces and all brother and sisters relatives who were a constant source of inspiration to me in keeping my interest alive and bore the most during my work.

Mr. Zaki Akhtar, Huma, Reshma Siddi, Nasir, Daud, Deepshikha, Sadaf, Rehana, Iram, Reshma Apa, Shaheen my colleagues who always stood by me and deserve special thanks for their cooperation during the whole period of study.

I am highly indebted to Dr. Anwar Lukman Bilgrami, Reader, Department of Zoology, A.M.U. Aligarh, Dr. Nasheed Lecturer in Senior Secondary of Abdullah, A.M.U. Aligarh and Naved Aqeed Qamar Lodge for helping me in statistical analysis of data and factors with the help of computer. And all deserve thanks.

I would also like to pay my special thanks to all the doctors of Jawaharlal Nehru Medical College of A.M.U. Aligarh without whose cooperation this endeavour would not have been accomplished.

I would also like to thank Mr. H.K. Sharma who give the cooperation in typing.

I would also like to thank all those who is one way or the other supported me by their inspiring attitude and kind acts in accomplishing my research work.

(SHABANA NESAR KHAN)
