ACKNOWLEDGEMENTS

In the praise of Allah - the most merciful and beneficial who showed me the path of rightness and blessed me to get the strength to embark upon this task.

It gives me an immense pleasure to express my heartfelt gratitude and sincere thanks with warm regard and honour to my learned teacher and supervisor Dr. Saeeduzzafar, Reader, Department of Psychology, Aligarh Muslim University, Aligarh, for his excellent guidance, sympathetic, and inspiring attitude, and constant encouragement throughout the course of this study. I always found him kind enough to spare his time so lavishly and willingly whenever needed. His expert comments and suggestions made this work possible and meaningful. I consider myself lucky to have been under his supervision. My respect, administration and thankfulness for him is unbounded. He is the man whom I adore the most.
