ACKNOWLEDGEMENTS

God is almighty, who endow me with good thoughts and gave me ability to perform my duty devotionally and work with great energy. He guided me what is good for me. I bow to Thee.

By the grace of God, I am privileged to express profound gratitudes to my beloved supervisor, Mrs RUQUIYA ZAINUDDIN, Reader, Department of Psychology, Aligarh Muslim University, Aligarh, for her skillful and invaluable guidance in completing this work.

I am indebted to Prof. AFZAL KURESHI, Chairman, Department of Psychology, Aligarh Muslim University, Aligarh, for providing me necessary research facilities and eminent guidance whenever it was needed.

A special words of thanks to Prof. SULTAN AKHTAR, Ex-Chairman, Department of Psychology, Aligarh Muslim University, Aligarh.

I am also thankful to my colleagues MOHAMMAD JAMSHED AHMAD SIDDIQUI, Mr. MUINUDDIN REHMANI, MISS PRITI VADRA, MISS RAMA SHARMA, and friends for their useful suggestion and constant encouragement.

Services of Mr. SUHAIL AHMAD (M/s Micro Services Centre, Aligarh) who prepared the manuscript of this thesis, is also acknowledged.

In the end, I would like to express my heart felt gratitudes to my parents, sister and brother, who I believe will be the happiest souls on the earth to see this work completed. I know their financial assistance, Love, affections, guidance and patience can never be paid back by my mere thanks.
