F - SCALE

Instructions:

The following is the study of what the general public thinks and feels about a number of important social and personal questions. The best answer to each statement below is your personal opinion. We have tried to cover many different and opposing points of view; you may find yourself agreeing strongly with some of the statements, disagreeing just as strongly with others, and perhaps uncertain about some others. Whether you agree or disagree with any statement, you can be sure that many people feel the same way as you do.

Mark each statement in the right margin according to how much you agree or disagree with it. Please mark every statement, write +1, +2, +3, or -1, -2, -3, depending on how you feel in each case.

+1: I agree a little  
+2: I agree on the whole  
+3: I agree very much  
-1: I disagree a little  
-2: I disagree on the whole  
-3: I disagree very much

Statements:

1. Science has carried man very far, but there are many important things that can never possibly be understood by human mind.  

2. Human nature being what it is, there will always be war and conflict.  

3. Every person should have complete faith in some supernatural power whose decisions he obeys without questions.  

4. When a person has a problem or worry, it is best for him not to think about it, but to keep busy with more cheerful things.
5. A person who has bad manners, habits, and breeding can hardly expect to be liked and accepted by decent people.

6. Now-a-days when so many different kinds of people move around so much and mix together so freely, a person has to be especially careful to protect himself against infection and disease.

7. An insult to our honour should always be punished.

8. Young people sometimes get rebellious ideas, but as they grow up they ought to get over them and settle down.

9. People can be divided into two distinct classes: the weak and the strong.

10. Some day it will probably be shown that astrology can explain a lot of things.

11. It is possible that wars and social troubles will be ended once and for all by an earthquake or flood that will destroy the whole world.

12. Most of our social problem would be solved if we could somehow get rid of immoral, crooked, and feeble minded people.

13. In the interest of progress of the country and prosperity of the people a powerful leader should assume full governing authority of state and compell common men for the service of the nation.

14. One should not waste his time in gaining knowledge about things which are of no use to him.

15. I hate those who do not take even minor things for granted and start asking 'why', 'how', etc.

16. The wild sex life of the old Greek and Romans was tame compared to some of the going-on in this country, even in places where people might least expect it.

17. Most of the people don't realize how much our lives are controlled by plots hatched in secret by politicians.
18. Homosexuals are nothing but degenerates and ought to be severely punished.

19. No sane, normal, decent person could ever think of hurting a close friend or relative.

20. Familiarity breeds contempt.
