ACKNOWLEDGEMENTS

I am happy to acknowledge my indebtedness to all those who helped me in carrying out this research work. I, first of all, gratefully acknowledge the academic help, co-operation and encouragement given to me, from time to time, by the teachers of the Department of Political Science, Aligarh Muslim University, Aligarh. I am sincerely thankful to all of them.

I am especially indebted to my supervisor, Prof. Iqbal Khanam, who provided every help to me whenever I needed. It is due to her academic guidance that this study was completed. I owe her a lot.

I would be failing in my duty, if I do not recognise the blessings, love and kindness bestowed upon me by my family. Every help which I ever sought for was given to me. Infact my family boosted my morale instilled in me the confidence which helped me in various ways to complete this work. I pay my sincere regards to every member of my family.

My gratitudes also go to my friends who helped me in the completion of this work. They are many. It is not possible to name each and every one of them. I thank all of them.
