

Acknowledgement

I bow in reverence to Allah the almighty whose gracious blessings gave me the courage, sustenance and devotion to complete this task.

I shall ever be indebted to my learned supervisor Prof. S. Naheed Murtaza Khan, Chairperson, Department of Political Science, A.M.U. for her able guidance, constant help and cooperation throughout the course of preparation of the thesis.

I express my profound thanks to my teachers Prof. M. Murtaza Khan, Prof. Arif Hameed and Prof. Asmer Baig for their cooperation and encouragement.

I shall be failing in my duty if I do not express my deep gratitude to my parents, brothers, brother-in-law, sisters, sister-in-law and niece without whose unfailing support, affection, cooperation and encouragement the work would have not seen the light of the dawn.

I shall always be acknowledging the moral support and well wishes extended by my seniors and friends. I sincerely remain thankful to the support of non-teaching staff of the Department of Political Science, AMU. I cannot ignore the appreciable facilities and help extended by the staff members of Maulana Azad Library, Centre for West Asian Studies and Centre for Nehru Studies, AMU. It is obligatory to pay my thanks to Mr. Abdul Quadir and New Book Binder brothers for typing and binding the manuscript skillfully.
