Praise be to Allah, the most cherisher and sustainer of the worlds, who bestowed me with learning and understanding.

It is with deep sense of gratitude and reverence that I express my sincere thanks to my esteemed supervisor Mr. P.Q.Rizvi, Chairman, Department of Plant Protection, AMU, Aligarh for his meticulous guidance, consistent encouragement and valuable suggestions during the course of investigation and preparation of the manuscript. I feel fortunate enough to have got myself registered for research work under his supervision. He has been a guide, philosopher and friend.

I am greatly beholden to my co supervisor Dr. (Mrs.) Hem Saxena, Principal Scientist, IIPR, Kanpur, for her expert guidance, active support, sincere suggestions and kind cooperation throughout the research work.

I take this opportunity to extend my regards to Prof. Akhtar Haseeb, Ex. Chairman, Deptt. of Plant Protection, AMU, Aligarh for his kind cooperation and help without which my thesis would not have reached this stage.

With a grateful heart I acknowledge my sincere thanks to Dr. Masood Ali, Director, IIPR Kanpur, for permitting me to pursue my work in the Institute and providing me the necessary facilities to bring this work to fruition.

Special thanks to Dr. Vishwa Dhar and Dr. R.G.Chaudhary, IIPR, for their timely support, sincere and fruitful suggestions.

I am equally beholden to my teachers, Dr. M.R.Khan, Dr. M.S.Ansari, Dr. S. Ashraf, Dr. R.U.Khan and Dr. (Mrs.) Musarrat Haseeb for their timely support and encouragement.

During the course of study, I received help, cooperation and good wishes from Dr. R. Ahmad, Dr. S.S.Ali, Mr. Naimuddin, Dr. A.B.Rai, Mr. Hemant, Dr. Akram, Pankaj and Dr. B.A.Ansari and his family. It is my pleasant duty to thank all of them.

I am indebted to Prof. T.C.Narendran, University of Calicut, Kerala for identifying the parasitoid specimens.

Help rendered by Mr. Raghib Ali, Mr. Aman-ur-Rehman and other technical staff is thankfully acknowledged.

Thank you Najam for being with me. You have been a constant source of inspiration and support for me.

I rejoice to thank my friends, Shahnawaz, Rouf, Syeed, Fayaz, Vipin, Ashraf, Asim, Nakhat and Shahana for the boost and moral support rendered by them.

The sacrifices that my parents made and all the love and encouragement they gave me can never be acknowledged in words. It was their sheer perseverance that this study could see the light of the day.

Words fall short to thank my brother Tanveer and sisters, Zami, Iram and Hina for their unfailing blessings, abysmal love and warmth.
