ACKNOWLEDGEMENT

In the name of Almighty Allah the most beneficent and most merciful who showed me the right path and blessed me with the strength to embark up on this task.

It gives me immense pleasure and honour to express my deep sense of gratitude to my supervisor Dr. H.S. Gaur, Project Co-ordinator, Division of Nematology, Indian Agricultural Research Institute, New Delhi for his supervision and overall guidance, keen interest and critical expert suggestions throughout the course of present work and also for providing laboratory facilities. I am also indebted to my supervisor Dr. M. Mashkoor Alam, Professor, Botany Department, Aligarh Muslim University, Aligarh. I always found them kind enough to spare their time lavishly and willingly whenever needed. Their expert comments and suggestions have made this work meaningful.

I am highly thankful to Director, Institute of Agriculture, Aligarh Muslim University, Aligarh who has always been a source of inspiration to me.

I would like to express a special thanks to Dr. Mukesh Sehgal, Sr. Scientist, N.C.I.P.M., Dr. D. Prasad, Sr. Scientist, Dr. Sharad Mohan Srivastava, Scientist, Mr. Jagwant Singh,
Technical Officer and Mr. Survesh Narayan Sharma, S.R.F., I.A.R.I., New Delhi for helping me in various ways.

Special thanks are due to Dr. B. D. Kaushik, Professor and Dr.(Mrs.) Luvleen, Sr. Scientist, Division of Microbiology, I.A.R.I. for their help and co-operation in providing facilities for culturing Blue-Green Algae.

I would like to express my gratitude to course Director, Dr. P. K. Singh, Dr. Bappi and Dr. Dolly for selecting me as a trainee during the training course on Blue-Green Algae held at National Centre for Conservation and Utilisation of Blue-Green Algae, I.A.R.I., New Delhi.

I express my immense gratitude to my parents, Mr. Hasnain Ata Peer Bakhsh, Mrs. Hashmatun Nisan, sisters, Saqia Firdaus, Safina Masarrat, Tarana Afrin, Shahla Jahan and Tajalli Ilm and brother Mohd. Faiz Durveshan Chandel for being the constant source of inspiration and encouragement throughout the arena of my studies.

It is difficult for me to fully express my gratitude towards my husband Dr. Babu Bakhsh, who endured financial and emotional stress while I was deeply engrossed in preparing this thesis.
I extend my heartfelt thanks to my friends Dr. Shamim Mustafa and Miss Basirath Raoof for their love and moral support.

I am thankful to Mr. Abul Kalam Azad (Computer Professional), who took pain for typing the thesis.

Last, but not the least, my sincere thanks are due to the Indian Council of Agricultural Research for sanctioning the ICAR-AP Cess Fund Scheme on "Investigations to Restrict Root-Knot Nematodes Infecting Wheat-Rice", for financial support to me in the form of Senior Research Fellowship and to the Division of Nematology, I.A.R.I., New Delhi for providing necessary facilities for completion of this work.

Dated: 3.7.2000
