ACKNOWLEDGEMENT

I am grateful to Prof. Zia A. Abbasi, Chairman, Department of Electronics Engineering, Aligarh Muslim University, Aligarh for providing deep affection, valuable suggestions as well as necessary facilities to carry out the research work.

I would like to record my sincere thanks to Prof. M. J. R. Khan for his keen interest, supervision, encouragement and inspiring guidance throughout the work reported in the thesis.

I wish to express my most sincere and deep sense of gratitude to Prof. Mahfoozur Rehman, Ex-Chairman, for his encouragement and moral support during the entire period for carrying out this work. I am also thankful to Prof. Parvez Mustajab for his constant help and encouragement.

I would like to record my sincere thanks to Prof. Muslim Taj, Principal, Z. H. College of Engg. & Technology, for his blessing bestowed upon me to complete this work.

It gives me a great pleasure to express my deep sense of gratitude to Prof. Iqbal A. Khan, who was always at hand for his valuable suggestions, stimulating discussions and critical evaluation of the thesis.

I am also thankful to Prof. Wasim Ahmed, Prof. Muzaffar A. Siddiqui, Prof. Salim Beg and all my colleagues for their academic and moral support during the research.

It is with immense pleasure that I record my indebtedness and heartfelt gratitude to my mother Mrs. Noor Jahan, father Mr. Mohammed Ali Khan, brother Dr. Mahmood Ali and all family members for their constant encouragement throughout my career.

Finally, I am extremely grateful to my wife Dr. (Mrs.) Nazish, for her patience, encouragement and help for correcting and comparing the typed script and daughter Sarah, for love and patience.

(ANWAR SADAT)
