Acknowledgements

In the name of Allah, the most Beneficent, the most Merciful, Who enabled me to complete this research work.

I wish to express my deep sense of gratitude to my supervisors Dr. Shabbir Ahmad (Reader) and Dr. Tapan Kumar Nandi (Scientist), my guides for their guidance in carrying out the entire experimental work as well as in developing an understanding of the subject.

I would like to thank Dr. Amir Roy, Director, NSC, New Delhi for providing me all necessary facilities and supports in carrying out this work. My special thanks are due to S. Chopra, Convener (AUC), for their encouragement and support during my research work. I would also like to thank S. A. Khan, S. R. Abhilash, Abhishake, Miss Golda, Dr. Azhar S. Seddiqui, Reva Ram, P. Barua, Ashok Kothari, R. P. Singh, S. K. Suman, Rajesh Kumar, E. T. Subramanyam, Dr. S. Mukherjee, Mr. S. Bhatnagar, Dr. P. V. Madhusoodhan Rao, Fouran Singh, Pankaj Kumar, B. R. Behera, Buddhadev Mukherjee, Anjum Naz and Miss Jyoti.

Thanks are also due to Mr. Nissar Ahmad for helping me in my experimental measurements and discussions during this work.

I am very grateful to all my collaborators Dr. C. P. Safvan, M. J. Vijaya, Dr. N. G. Naik, Shankar De, Dr. Rita Das, R. K. Karn, Rakesh Kumar, for their support during the experiment and analysis.

I express my sincere thanks to Prof. A. K. Chaubey, Chairman,
Department of Physics, AMU, Aligarh, Prof. R. U. Khan, Dr. Tauheed Ahmad and Dr. S. M. Afzal, for their encouragement and help. I would like to thank other members and the administrative staff of the Deptt. especially Mohn Lal for their co-operation and support.

I would like to thank my friends who have made my years enjoyable by their direct or indirect support and encouragements, espically, Dr. Showkat (KU), Dr. Qousar Habib, Dr. Tariq Ahmad, Muzaffar Ahmad, Ferooz Ahmad, Fayaz Ahmad, Mir Masood, Nissar Ahmad, Javed Ahmad, Nazir Ahmad, Mohd Ashraf, and Khurshid Ahmad.

I would like to take a chance to convey my sincere gratefulness to my dear brothers Khurshid Ahmad, Ferooz Ahmad, Sajad Ahmad, Ishtiaq Ahmad, and my sisters Nissara, Dilshada, Masooda, and Rifat, for their constant moral support during this research work. I am also indebted to my relatives and well wishers who have boosted me during this work. Finally, I would like to remember the greatest inspiration from my loving parents, who provided all support at every stage of this work.

A. Ahmad Wani
