Acknowledgments

I am very glad to record my deep sense of gratitude and profound thanks to my supervisor Dr. S. Marshal Anthoni, Assistant Professor in Mathematics, Anna University Coimbatore, for his friendly, scientific and expert guidance, readiness and willingness to help, his continuous support over the years to complete this work.

I wish to record my sincere thanks to my Co-guide Dr. P. Prakash, Assistant Professor of Mathematics, Periyar University, Salem, for his constant encouragement.

I wish to record my sincere thanks to Dr. C. Selvaraj, Professor and Head, Department of Mathematics, Periyar University, Salem, for his constant encouragement.

I would like to thanks to Prof. A. Muthusamy, Dr. K. Gowri Navada, Mrs. V. Muthulakshmi, and Dr. S. Karthikeyan, Department of Mathematics, Periyar University, Salem for their valuable support during period of my study.

I am very glad to place my heartful thanks to Prof. K. Balachandran and Prof. E. K. Ramasami, Bharathiar University, Coimbatore, for valuable suggestion during various phases of my research work. I also thank the research collaborator Prof. R. Sakthivel, Sungkyunkwan University, South Korea, for his constant help during the work.

I place my thanks to my beloved parents C. Rajendran and R. Chandra for being the motivating force behind the completion of this thesis.

I have a great pleasure to thanks to the non-teaching staffs of the Department of Mathematics for their kind help during the period.
My special thanks are also due to all my research colleagues for their kind help during the tenure of my study. I have had the good fortune to work in a very inspiring environment. It has been a privilege to work together with the intelligent and friendly colleagues at the department.

I record my grateful thanks to University Grant Commission (Rajiv Gandhi National Fellowship) for financial support throughout the research project.

Last, but not least, I thank the Almighty for giving me sound health, knowledge and courage to complete my work successfully.

R. Samidurai
