ACKNOWLEDGEMENT

First of all I would humbly thanks almighty God, who provided me with the opportunity and environment to complete my doctoral thesis.

Words are inadequate in translating deep sentiments of gratitude towards my respectable, sagacious, eminent, and honourable supervisor Dr. Brij Bhushan Singh. It has been a great honour and privilege to have worked under his apt and mellifluous guidance; his rich blend of knowledge and experience, perpetual interest, enlightened discussions, incessant encouragement, painstaking efforts and deep concern about my welfare, always influenced and guided me.

I am also indebted to his wife Mrs. Anuradha Singh and parents, who made me feel as a family member, which made it easy for me to approach my supervisor whenever I needed his advice.

I am thankful to Prof. Jawaid Ali Khan, Chairman Dept of P.H. & S.E. AMU Aligarh for his great co-operation. He provided me with help, guidance, and inspiration at every step with all the facilities needed for my research work.

I am also grateful to the teaching staff of the Dept. of P.H & S.E. AMU, which includes Dr. Rajendra Singh, Dr. Ikram Hussain, Dr. Kabir Shah Khan, Dr. Zamirullah Khan and Mr. Tariq Murtaza. My thanks also go to my co research scholars Parvez Shamim, Ajay Rajput, Manju Lata, Mohd. Khalid Khan, and my class friend Manzoor Alam Ansari, Saleem Jawed, Naushad Whaheed Ansari,
Said Akhatar, S. Khurram Nisar and Babul Akhatar for their cooperation and technical assistance from time to time.

I am also indebted to Mr. P.S. Bajawa (SAI Athletics coach), Mr. M.S. Dhillun (Javelin throw National Coach), Mr. V K Shori (Throwing coach N.S., N.I.S., E.C., Kolkata), Mr. A.N. Bandhuppadhiay (NS, N.I.S., E.C. Kolkata), Dr. Kuntal Roy (Academic incharge NS, N.I.S., E.C. Kolkata), Mr. Kalyan Choudhary (NS, N.I.S., E.C. Kolkata), Mr. Rajesh Pal (Athletics Coach U.P.P.), Mr. Ishatiyaq Ahamad, Mr. Hardhiya Nand and Ran Vijay Singh (National level throwers), for their great help in collecting the data, without their cooperation my work would have been impossible.

I also thanks various national and international athletes who allowed me to take anthropometric measurements, their names are given in appendix.

I also wish to thanks Dr. T.S.Gill, (Reader Department of Physics, AMU), S.S. Yadav (S.S.P), Mr. D. K. Yadav (Vice Principal G.R.P.I.C.Aligarh), Mr. S.K.Sharma, A.S Yadav (GIC), Vishnu Pratap Singh and Manoj Yadav (S. V. Collage Aligarh). I am also thankful to my friends Mr. Arvind Yadav, Mahesh Yadav, Vijay Singh Rawat, Amit Mudhagal, Ranveer Singh, Md. Ali, Deepak Tomar, Pankaj Yadav, Sonu, Pranshant Yadav. Ajeet Pratap Singh, Arun, and many others who always encouraged me and provided me with every type of help.
No words can express my warm and heartfelt gratitude to my doting mother, Mrs. Shyama Devi; my adorable brother Kumarji Yadav, Manpal Singh Yadav, and my younger brother Harpal Singh and Jaswant Singh, my adorable sister Mrs. Savitri Devi and her husband Mr. Ramanand Yadav, my grand father Mr. Pooran Singh Yadav, and my maternal grand father late Mr. Hulasi Yadav. Without their help this Herculean task could not have been completed. Their sacrifice and ceaseless encouragement restored my confidence.

I would like to thanks the non-teaching staff of my department, especially Mr. Anwar Ahamad khan, Mr. Ashok Kumar, Mrs.Chanda Praveen and Mr. Wajahat Hashmi.

Last but not the least; I would again thank my younger brother Mr. Jaswant Singh for the pain he has taken in helping me on the computer work of this thesis.
