ACKNOWLEDGMENT

At the outset I bow before Almighty, the Lord of the worlds, who has taught the use of the pen, and whose benign benediction granted me the courage, patience and strength to embark upon this work and carry it to its successful completion.

I would like to express profound gratitude to my supervisor Dr. Vakeel Ahmad Khan, Lecturer, Department of Mathematics, Aligarh Muslim University, for his invaluable support, encouragement and useful suggestions throughout this work. His moral support and continuous guidance enabled me to complete my work successfully. I have been amazingly fortunate to have an advisor who gave me the freedom to explore on my own.

I am immensely grateful to Prof. Huzoor H. Khan, Chairman, Department of Mathematics, Aligarh Muslim University, Aligarh, for providing me all the possible facilities available in the department in carrying out this work and encouragement in pursuit of course of study.

I am as ever, especially indebted to my parents, Mr. Qamar Ali and Mrs. Rehana Perveen for their love and support throughout my life. I also wish to thanks my sister Ms. Sabiha Tarannum, brother-in-law Mr. Abdul Qadir, and brother Mr. Arish Qamar who have been dreaming for quite a long time for my success.

I am also very much grateful to all my friends especially Ms. Faiza Shujat, Ms. Neha Sharma, Mr. Shibli Siddiqui, Mr. Abu Zaid Ansari and Mr. Salahuddin Khan. They have helped me stay same through these difficult years. Their support and care helped me overcome setbacks and stay focussed on my goal. I greatly value their friendship and I deeply appreciate their belief in me.

It's my pleasure to express my heartiest appreciation to my classmates Ms. Firdhousi Beghum, Ms. Nusrat Fatima, Mr. Shuja Haider Rizvi and Mr. Dilshad, who have been actively involved in offering suggestions or reviving and commenting on my dissertation from time to time.

Moreover I also express my appreciation to my seniors Ms. Farhat Usman, Ms. Nargis Jamal, Ms. Nahid Akhtar Siddiqui and Dr. Q.M. Danish Lohani who helped
me overcome my doubts in doing this dissertation. I feel shortage of words to pay thanks to them.

Also I am grateful for the cooperation of my roomates/juniors, Ms Ummatul Fatima, Ms Anupam Sharma, Ms Preeti Verna and Ms Binish Hamid. The completion of this dissertation would have been rather impossible without their wholehearted support and encouragement.

Finally, I express my indebtedness to my glorious and esteemed institution, Aligarh Muslim University, Aligarh, and U.G.C, for providing me financial assistance in the form of scholarship during my research programme.

(Sabiha Tabassum)
