ACKNOWLEDGEMENTS

Words cannot suffice to express my profound gratitude to my teacher and guide Dr. Syed Imtiaz Hasnain. His door was always open to me and he generously gave his time and effort in training me in the framework of this theory. I am really thankful for his guidance and help from the earliest to the final stages of this thesis.

I am thankful to Prof. Iqtidar H. Khan, Chairman, Deptt. of Linguistics for his constant help and encouragement.

I am really obliged to the Librarians, Delhi University, Jawaharlal Nehru University and Sahitya Academy, New Delhi, from where the materials had been collected, for their cooperation.

I am also thankful to the Institute of Objective Studies for their constant encouragement and financial assistance.

My thanks are also due to Dr. Akbar Husain, Reader, Deptt. of Psychology, for his constant and sincere help and encouragement.

I must take the opportunity of expressing my heartfelt gratitude and thanks to my mother for the
encouragement which I had always received from her.

The completion of this research work had been greatly aided by the encouragement and support of my maternal uncle, Prof. Iqbal Ahmad (Polytechnic), my aunts, Ms. Raasia Wasif and Zakia Syed, my friends, Ms. Anis Jahan, Dr. Shahina Maqbool, Ms. Fareha and Mr. Kaleem Ahmad.

My thanks are due to Mr. Najeebul Hasan, Seminar Incharge, and all teaching and non-teaching staff for their constant help.

I am most thankful to Mr. Habat Hasan who deserves appreciation for typing my thesis carefully.
