Acknowledgement
ACKNOWLEDGEMENT

All praises are due to Almighty Allah-the Creator, the Sustainer, the Beneficent, the Merciful and the Lord of the whole universe, who made it possible for me to accomplish the task which was beyond my ability and power.

During the preparation of my thesis I have received generous help from various quarters that I want to acknowledge from the core of my heart. First of all I want to express my profound gratitude and sincere thanks to my supervisor Dr. Obaidullah Fahad, Reader, Department of Islamic Studies, A.M.U., Aligarh, for his benevolent guidance, inspiring gratitude, sympathetic behavior, keen interest and devotion throughout the tenure of this work. The continuing interest he has shown during this work greatly encouraged me. I have been intensively benefited from his concrete and objective criticism, wholehearted co-operation and helpful suggestions during the course of this work. He meticulously read and commented on the manuscript. I am greatly indebted to him. I feel no hesitation in writing that God Almighty selected such a great personality for my guidance and supervision. In fact, without his co-operation, it would have been rather impossible for me to complete the present work.

I am indebted to Prof. 'Abdul Ali, Chairman of the Department, and all other teachers especially Prof. Mohammad Yasin Mazhar Siddiqui, former Chairman of the Department, Dr. 'Abdul Hamid Jazli and Mr. 'Abdul Majid Khan for their wholehearted support and encouragement.
My thanks are also due to Dr. Naseem Ahmad Shah, Reader, Shah-i-Hamdan Institute of Islamic Studies, University of Kashmir, Dr. 'Abdul Rashid Bhat, Sr. Lecturer (SHIISUK) and Dr. Abu Sufyān Islāhi, Sr. Lecturer, Department of Arabic A.M.U., Aligarh, for their moral and academic encouragements.

The more pains-taking part of this research-work has been greatly facilitated by the help and cooperation of the library staff of the Institute of Islamic Studies, A.M.U. and my thanks are especially due to Mr. Kabir Ahmad Khan, Mr. Mohammad Khalid Hameed (both Professional Assistants) and their colleagues.

I am also thankful to Mr. Mazhar Ali Siddiqi Maulana Azad Library A.M.U., Aligarh; Library staff members of SIM of India, Aligarh; Library staff members of the Deptt. of West Asian Studies A.M.U., Aligarh; Library staff members of Idarah Tahqiq wa Tasnif, Aligarh and Mr. Zafar Ahmad of SHIISUK Library, who wholeheartedly provided me the relevant material whenever needed.

I am indebted to all staff members of ICSSR, Mumbai, especially to Mr. Sanjay and Mr. Ravi for their generous support and cooperation during my study tour to Mumbai. My thanks are also due to staff members of Asiatic Society Library, Town Hall Fort, Mumbai; J. L. N. Library staff, Mumbai University; Central Library Staff Town Hall Mumbai; and Director, Anjuman Khyr al-Islām Library Mumbai and his staff members especially Mr. Ahmad.

No less are my thanks due to Mr. Zia-ul-Haq Salafi (A product of Jamiah Salafiah, Varanasi and currently research
scholar, Department of Urdu, A.M.U.) Aligarh for his moral and selfless help in making me understand certain Arabic works. I am also thankful to Mr. Arshid Ahmad Salloo and Mr. Shahzadah Ashraf Maqbool (my fellow scholars and friends), who selflessly helped me in proofreading.

My special thanks are due to Mr. Syed Mohammad Hussain for his selfless and wholehearted sympathy and encouragement. I am also thankful to all my friends and fellow scholars especially to Dr. Shabir Ahmad Gaffari, Mr. Shabir Ahmad Dar, Mr. Ishtiaq Amin Zargar, Mr. Fayaz Ahmad Wani and Mr. Syed Bashir Ahmad for their sympathy and encouragement.

My thanks are due to all my room partners especially to Mr. Javed Ahmad Kundroo and Mr. Irfan Hameed Yatoo for their sympathy, submissiveness, love, affection, respect and selfless help in keeping the room environment conducive for studies.

No less are my thanks due to Mr. Naeem, Mr. Khalid Ansari, Mr. MG Haider and Mr. Mazhar Hussain Ansari of Azam Computers for their kind help in assiduously composing the thesis.

I am also indebted to my elder brother Mr. Khurshid Ahmad Zargar for his generous encouragement and guidance throughout my studies. The cooperation of my younger brother Showkat Ahmad Zargar cannot be overlooked as he made it possible for me to devote to my work with full time and concentration. Besides this he along with my elder brother and his children-Owaise Khurshid, Rafi ul-Islam and Amir Khurshid-care my parents during my prolonged absence. My deep indebtedness is due to my aunt
Arshida and my sister Farida for their selfless love, affection and blessings. Of course, this work is ours not mine.

Words fail me to express gratitude to my father Al-Haj Abdul Salam Zargar and my beloved mother Mrs. Aminah for their constant love, affection, selfless help, and encouragement. They are doing so not for any material reward and indeed no money in this world can pay the debt I owe to them for educating and steering me. I can pray only rabbir-hamhumā kamā rabba-yāni sagīrā [My Lord! Have Mercy on them both as they did care for me when I was little: (Al-Qur’an, 17:24)].

Naseer Ahmad Zargar
