Chapter 1 – Conceptual and Theoretical Framework of VPLP 1-26

1.1 Variable Performance Linked Pay (VPLP)

1.2 Why variable pay?

1.2.1 Objectives of the scheme

1.3 VPLP – Bane or Boon?

1.4. VPLP Design Principles

1.4.1. The Informativeness Principle
1.4.2. The Incentive-Intensity Principle
1.4.3. The Monitoring-Intensity Principle
1.4.4. The Equal Compensation Principle

1.5. Theories forming base of VPLP

1.5.1 Reinforcement Theory
1.5.2. Agency Theory
1.5.3. Contingency Theory
1.5.4. Expectancy Theory
1.5.5. Goal Setting Theory
1.5.6. Incentive Theory

1.6. VPLP and Motivational Models

1.6.1. The Performance Motivation Model
1.6.2. The Membership Model
1.7. Types of VPLP in Practice

1.7.1. Individual Based VPLP Scheme
1.7.2. Team Based VPLP Schemes
1.7.3. Contribution Pay
1.7.4. Stock Plans

1.8. VPLP and Organizational Performance

1.9. Summary Discussion

Chapter 2 – Review of Literature  27-56

2.1 Conceptual Evolution
2.2. Reasons for introduction of VPLP
2.3. What makes an effective VPLP?
2.4. Benefits of VPLP
2.5. Adverse Impact of VPLP
2.6. VPLP Impact on Team / Individual Performance
2.7. VPLP Impact on Productivity
2.8. VPLP across major Countries / Cultures
2.9. Conclusions from the chapter / Need for Research

Chapter 3 – Research Methodology  57-90

3.1. Statement of Problem
3.2. Objectives of the study
3.3. Null Hypotheses
3.4. Operational Definitions
3.5. Research Design
3.6. The Research Process
3.7. Development of Research Instrument
3.8. Pilot Test (Face Validity)
3.9. Pre Testing (Content Validity)

3.10. Rationale for selecting these performance indicators / contributors

3.11. Sampling Plan
   3.11.1. Identification of Organizations
   3.11.2. Short listing the organizations
   3.11.3. Population and Sample
   3.11.4. Data Collection

3.12. Reliability of Data

3.13. Data Analysis

3.14. Limitations of the study

Chapter 4 – Findings and Discussions 91-147

4.1. Satisfaction with Variable Pay (Overall)
   4.1.1. Satisfaction with Variable Pay as per Country of Origin
   4.1.2. Satisfaction with Variable Pay as per Nature of Job
   4.1.3. Satisfaction with Variable Pay as per Length of Experience
   4.1.4. Key Findings from this section

4.2. Variable Pay and Employee Performance (Before and After Implementation of VPLP)
   4.2.1. Employee Performance (Before and After Implementation of VPLP)
   4.2.2. Impact of VPLP on Employee Performance (USA origin Companies)
   4.2.3. Impact of VPLP on Employee Performance (UK origin Companies)
   4.2.4. Impact of VPLP on Employee Performance (Japan origin Companies)
   4.2.5. Impact of VPLP on Employee Performance (Korean origin Companies)
   4.2.6. Variable Pay - Impact on performance of Blue Collared Employees
   4.2.7. Variable Pay - Impact on performance of White Collared Employees
   4.2.8. Variable Pay - Impact on performance (< 3 Years of Work Experience)
   4.2.9. Variable Pay - Impact on performance (3 -5 Years of Work Experience)
4.2.10. Variable Pay - Impact on performance (5+ Years of Work Experience)
4.2.11. Analysis of Variance (post implementation of VPLP)
4.2.12. Test of Correlation amongst factors indicating employee performance
4.2.13. Key findings of this section

4.3. Employee Satisfaction with Performance Management System (pre and post VPLP)

4.3.1. Satisfaction with PMS (Pre and Post Implementation of VPLP, Overall)
4.3.2. Satisfaction with PMS post implementation of VPLP (As per Country of Origin)
4.3.3. Employees Satisfaction with PMS (Pre and Post Implementation of VPLP, As per Nature of Service)
4.3.4. Employees Satisfaction with PMS (As per Length of Service)
4.3.5. Key findings of this section

4.4. Review of Hypotheses

Chapter 5 – Conclusions and Recommendations

5.1. Highlights
5.2. Variable Pay and Employee Satisfaction
5.3. Variable Pay and Employee Performance
5.4. Variable Pay and Culture
5.5. Variable Pay and Nature of Job
5.6. Downside of Variable Pay
5.7. Making a successful Variable Pay Program
5.8. Scope for Future Research
