Acknowledgements

“Gratitude they say can not be seen” I think it can not be expressed either, for words are not enough to bring out the feelings, gratitude and indebtedness that I have, for my esteemed supervisor Dr. S.H. Israil, Professor and Chairman, Department of Geology, Aligarh Muslim University, Aligarh. He had been a source of inspiration and encouragement throughout the course of the present study. His fertile imagination, keen interest, inspiring criticism coupled with his devotion, zeal and encouragement, inspiring guidance and motivation has been the perennial source of inspiration for me and enabled me to sustain my research activity. Above all his magnificent, affection and endless pain taking and untiring efforts on my thesis work can never be adequately acknowledged in words.

I am extremely indebted to Prof. M. Raza, Department of Geology, Aligarh Muslim University, Aligarh, inspiring guidance, motivation and bountiful suggestions, and providing analytical facilities during the course of my research work.

I am thankful to Dr. Shahid Farooq, Dr. Shadab Khursheed, Dr. Abu Talib, Dr. L.A.K. Rao, Dr. Rashid Umar, Dr. Sarwar Rais, Dr. A.M.H. Ahmad, Dr. Abdullah Khan, and Dr. Syed Ahmad Ali of this department for constant inspiration and encouragement at every stage in my research work.

I am extremely thankful to Prof. Samiullah Khan, Chairman, Department of Applied Chemistry, Z.H. College of Engineering & Technology, Aligarh Muslim University, Aligarh for providing necessary facilities for analytical analysis of water samples and also to Dr. R.A.K. Rao for help offered during analysis.

I am also thankful to Dr. Masood Alam (Reader) Department of Applied Sciences and humanities (Environmental Laboratory), Jamia Millia Islamia University, New Delhi for providing facilities for trace elements analysis and also to
