ACKNOWLEDGEMENT

Nothing is achieved in isolation.

Early in the process of completing this research, it became quite clear to me that a researcher cannot complete a Ph.D. thesis alone. Although the list of individuals I wish to thank extends beyond the limits of this format, however, I would like to thank the following persons for their dedication, prayers, and support:

My first, and most earnest, acknowledgment must go to my Supervisor Dr. A.H.M. Ahmad. It has been an honor to be the Ph.D. student of a person who has been instrumental in ensuring my academic, professional and moral well being ever since we met. I appreciate all his contributions of time & ideas to make my Ph.D. experience productive and stimulating.

In particular, thanks are due to Dr. Shadab Khurshid, Chairman, Department of Geology and Prof. Mahshar Raza, ex-Chairman, Department of Geology, Aligarh Muslim University, for all the facilities the department provided for the completion of my research work.

Sincere thanks are extended to Dr. Abu Talib, Senior Reader, Dr. Shamim Khan, Senior Lecturer, Dr. Rashid Umar, Senior Lecturer and Dr. M. S. Azam, Lecturer, Department of Geology, Aligarh Muslim University, Aligarh for providing encouragement and valuable suggestions that improved the quality of this work.

It is a pleasure to acknowledge the immense help and support I received from my seniors and friends: Zafar Bhai, Saadat Bilal Khaki, Wasi Ahmad Zaidi, Chayanika Saikia, Aabiroo Majid, Sajjad Ahmad Wani, S. Waseem Ahmad, Shaﬁque Ahmad, Baseeruddin, Asad Jamal, Waliur Rahman, Zubair Malick, Reyaz Ahmad, Inamur Rahman Khan, Nafees Ahmad, Abu Huraira, Ali, Prakasham, Sundarraman, Divyesh, Manmohan, Gaganpreet, Vidushi, Richa and Neha to name a few.

A penultimate thank-you goes to my wonderful parents & my family for all their love and encouragement, for always being there when I needed them most and never once complaining about how infrequently I visited them, they deserve far more credit than I can ever give them. Whatever I have achieved and will ever achieve is because of their blessings. This thesis is dedicated with affection to my late beloved father who raised me with love and supported me in all my pursuits till his end.
