I bow in reverence to the Almighty God whose benign benediction gave me the required zeal for completion of this work.

I wish to express my sincere gratitude to my revered and learned supervisor, Prof. (Mrs.) Abha Lakshmi Singh, Chairperson, Department of Geography, for her illuminating guidance and creative supervision, right from its inception to its culmination in the present work. Without her unceasing encouragement and co-operation this work would not have been completed.

I am indebted to Prof. Mohammad Shafi for his encouragement and constant inspiration in the completion of this work.

I am grateful to Prof. R. J. Singh Department of Physics for his valuable suggestions.

I am thankful to the Chairperson, Prof. (Mrs.) Abha Lakshmi Singh for providing me necessary facilities.

I would be remiss in my gratitude if I do not express my warmest thanks to Mr. Jabir Hasan Khan, Dr. S. Najmul Islam Hashmi, Dr. S. Farooque Azam, Dr. Shahab Fazal, Ateeq, Mansoor, and other friends for their help and whole hearted co-operation rendered to me.

I am short of words in expressing my sincere and hearty thanks to Dr. (Mrs.) Avantika, whose moral support and encouragement have always been a source of inspiration to me.

I also place on record my thanks to Mr. M. Khan, cartographer and librarians of Department of Geography and Maulana Azad Library, A.M.U. Aligarh, for their help during the course of studies.

The award of Junior Research Fellowship by the Aligarh Muslim University, Aligarh is also gratefully acknowledged.

I am also thankful to the village labourers who gave true statistics in furnishing me with the required details regarding the thesis to enable me to fulfil the purpose of the study.

Thanks are also due to Mr. A.K. Azad for typing the thesis.

In the last but not the least I am thankful to Master Aishwary for his co-operation during checking the thesis.
