ACKNOWLEDGEMENTS

In the name of ‘Allah’ the most beneficient and merciful I wish to express my deep sense of gratitude and indebtedness to Prof. Abdul Munir, Chairman, Department of Geography, Aligarh Muslim University, Aligarh for his scholarly guidance, patient discourse and discussions on research problems, inspiring criticism and bountiful suggestions. His fertile imagination, keen interest, zeal and devotion has been the perennial source of inspiration for me. Without his endless painstaking and untiring efforts it would not be possible to achieve this task.

I am deeply acknowledged to Late Prof. Mohammad Shafi for his immemorable encouragement and moral support. His legacy continued to inspire me during the completion of this manuscript. I am extremely indebted to my respected teachers for their valuable suggestions and magnificent affection.

I acknowledge with cordial thanks to the members of Seminar Library, Department of Geography and Maulana Azad Library for their cooperation. Thanks are due to Mr. Ashfaque Ahmad for his help in programming and computation of the numerical aspects of the work. I am also thankful to Dr. Shafiquallah Siddiqui, Mr. Mazhar Ali Khan and Miss Rukhsana for their help in the preparation of maps. Thanks also due to Mr. H.K. Sharma who accomplished the painstaking job of typing excellently.

I extend my special thanks to Mr. Musharraf Ali Sahib, Mr. & Mrs. Rizwanullah Khan, Mr. Rai Singh Mojawat, Mr. Rashid Aziz Faridi and Dr. Ajaz Husain Ansari for their unbelievable support and cooperation.

I put on record my modest and sincere regards to my parents and members of the family for their constant intrinsic support and encouragement which were the hallmark for my research work.
I have no words to express my feelings about my wife Fatima for her generosity, devotion, sacrifice and everlasting moral support.

I am indebted to University Grants Commission for providing me financial assistance as junior and senior research fellowship during this work.

Last but not the least thanks to all nears and dears who have encouraged me to achieve the goals.

(Hameed Ahmad)
