ACKNOWLEDGEMENT

It is indeed a matter of great pleasure to express my grateful thanks to my supervisor Prof. Azimuddin Qureshi, Department of Geography, A.M.U., Aligarh for his valuable supervision, guidance and inspiration which help in the completion of this thesis.

I express my heart felt thanks to Prof. (Mrs.) Abha Lakshami Singh, chairperson, Department of Geography, A.M.U., Aligarh for kind providing the necessary facilities to carry out the work.

The author wish to express his deep sense of gratitude to Prof. Mohammad Sami Ahmad, Department of Geology, A.M.U., Aligarh for his guidance, suggestions and encouragement throughout the work.

I am extremely grateful to Dr. Kamal Mahmood, Scientist (Central Ground Water Board) Lucknow for providing relevant literature. My sincere thanks are also to the Liberians, National Institute of Hydrology, Roorkee and Board of Revenue, U.P., Lucknow for providing rainfall data of Aligarh district.

I must place on record my thanks to my senior research fellow and colleagues, Dr. Rashid Umar, Mohd. Shamim, S. Zaheer Hasan, Asad Umar, Syed Azhar, M. Adnan S. Jamil, Hafiz Shakir and Zameer for their inspiration and help at different stages.

I am immensely thankful to Mr. & Mrs. Jamil Ahmad (Uncle & Aunt) who visualised and made me diligent.
I feel short of vocabulary to express my heartfelt thanks to my parents whose love and affection has always been a constant source of inspiration to me. My special thanks are due to my elder brothers, nephew Shamim, Tanwir, Dr. Asif, Minhaj and Hasan Raza who encouraged me.

My special appreciation is extended to Mr. Tariq Rasheed & Mr. Anwar Sadat, Career Computer Education.

Last but not the least, I express my deep sense of gratitude to Prof. Syed Masood Ashraf, Department of Surgery for his timely financial help during the typing of the thesis.

(MD. IRFAN SABIR)
