Acknowledgements

I bow in reverence to Almighty, the cherisher and sustainer whose benign benediction gave me the required zeal for the completion of this work.

I have no word to express my deep sense of gratitude to my learned supervisor, Dr. Hifzur Rahman, Professor, Department of Geography, Aligarh Muslim University, for his valuable guidance and enlightening suggestions throughout the course of the completion of this. It is my privilege to express my heartfelt thanks to him for his sympathetic and encouraging attitude which sustained my interest to carry out this work. In spite being preoccupied with his own work in the Department, he always spared time for me and guided me.

With great reverence I owe to place on record my heartiest thanks to the Chairman, Department of Geography, Professor Abdul Munir, whose constant cooperation and providing me the facilities which helped me in the completion of this work. My thanks are also due to all teaching staffs of the Department, librarian, cartographers and other non-teaching staffs who assisted me at every stage.

I am unable to express my profound thanks and gratitude to my parents. Though they are old and ailing they took all the pains and responsibilities to assist me. It was actually my mother’s patience and love, which made my work easy. I am equally indebted to my father whose unlimited blessings and every kind of support I was able to complete this work.

A special word of gratitude is due to my brother Mr. Mohammad Arif, sisters Mrs. Huma and Ms. Samreen and brother-in-law Mr. Mohammad Imran whose affectionate assistance can never be forgotten.

I feel impelled to put on record my gratefulness to Messrs Ehtesham, H.M. Abdullah and Mushir Ali for their help and cooperation extended to me.
for the collection of data, without their active assistance this work would not have been completed.

I would be failing in my duties if I ignore to thank Mr. Abdul Wahab, Dr. Manoj Tyagi, Messrs Prabhaker Sharma and Nasrudin for their valuable help and suggestions.

I must acknowledge my heartiest thanks to all my cousins and friends for their kind cooperation during the course of research work.

It is my pleasant duty to offer my special thank to Mr. Munney Khan, Cartographer, Department of Geography for help he rendered in the preparation of maps of Rohilkhand plain produced in the thesis.

Last but not the least, I wish to thank to Mr. H.K. Sharma who accomplished the task of typing the thesis neat and cleanly.
