ACKNOWLEDGEMENT

The success of my academic endeavour depends to a great extent on the quality of guidance and help one receives. In this respect I would like to express my heartiest gratitude and sincere indebtedness to my supervisor Dr. Syed Naushad Ahmad, Department of Geography, Aligarh Muslim University, Aligarh, without whose skillful and valuable guidance, it would be beyond my reach to complete the thesis so successfully and efficiently.

I am sincerely thankful to Prof. Azimuddin Qureshi, Chairman, Department of Geography, Aligarh Muslim University, Aligarh, for providing the necessary facilities to complete this work without any difficulty.

I am also thankful to Dr. Abdul Munir, Reader, Department of Geography, Aligarh Muslim University, Aligarh who has guided me at every stage for the completion of this thesis.

I wish to express my deep sense of gratitude to Dr. Mohammad Shafi, Professor Emeritus, Department of Geography, Aligarh Muslim University for this encouragement and valuable suggestion during the completion this thesis.
I feel short of vocabulary to express my thank to my mother whose love and affection was always been a source of inspiration for me. My special thanks are due to my father Mr. M. Rayees Khan, who encouraged me every time and provide me full financial support without which this work would have not been possible.

I am thankful to my youngers, Habibur Rahman, Naushad, Shahid Kamal, Midhat, Jalal and Mahmood for this support and inspiration in the completion of the work.

I wish to extend heartiest thank to my dearest friend Naseem Ahmad, Mumtaz Ahmad, Sajid Jamal and M. Ilyas for their co-operation affection, care, encouragement and fruitful suggestions which has been a great source of strength through my study.

I am also thankful to Nayyar, Feroz Khan Jamshed, Kausar Shamim, Mukammil, Dr. Sarwar, Sayeed Bahi, Faiyaz, Annu Bhai for their cooperation and suggestions.

I wish to express my thank to Mr. Mohd. Javed and Saleem Bhai for their cartographic assistance. I am also thankful to Mr. Naseemul Islam Ansari and Talat Apa, Librarian, Research Section, Department of Geography,
Aligarh Muslim University, Aligarh for providing the necessary literature, I am also thankful to research colleagues and friends for their co-operation and valuable suggestions during the course of study.

I am also indebted to my brothers Javed A. Khan, Uzair A. Khan and sister Momina Khan, without whose blessing this thesis would not have been the light of the day.

Above all I express my gratitude express to Almighty ALLAH who provided and guided all the channels to work in cohesion and coordination and led me to this path of success.

(MOHD. SAYEED KHAN)
