ACKNOWLEDGEMENT
I register my heartfelt appreciation and immense gratitude to Prof. Abha Laxmi Singh, Chairperson, Department of Geography, Aligarh Muslim University, Aligarh, who extended her invaluable guidance and every possible help which a kind teacher can extend to her pupil in completing this work. All I can say is that I owe a lot to her because without her help and guidance, I would not have completed this assignment.

I wish to offer my sincere thanks to Professor Tej Vir Singh, Director, Centre for Tourism Research and Development, Indiranagar, Lucknow, who was kind enough to suggest and to support my topic and extended exemplary help, assistance, guidance in every respect, specially providing access to his Centre's library. Similarly, Dr. Jagdish Kaur and Dr. Shalini Singh have ever been a helping hand at each and every stage of working.

Thanks are due to Prof. Abul Hasan Siddiqui, Department of Mathematics and Statistics, A.M.U. Aligarh, who went out of the way to assist me in the completion of my dissertation.

I am indebted to Mr. Atul Misra, Divisional Engineer of Telecommunication Department, Lucknow, Mr. Gopal Pandey, Accounts Officer, Dehradun, who exerted their best to escort me to various places of my visit for data collection and field survey from various tourist offices of Dehradun, Mussoorie, Badrinath, Rishikesh and Nainital. I owe a word of
thanks to Mr. S. Nigam, Director, Telecommunication, Mr. Ramchandar, PRO, General Manager of Telephones, Lucknow, who helped me to collect the requisite data whenever necessary from any quarter whatsoever.

I like to offer my thanks to Mrs. Neeta Shah, Director of Tourism at the Tourist Department, Ministry of Uttar Pradesh, Tourism, Lucknow, who supplied me with the necessary data and material of various tourist spots of my interest. Thanks are due to Mrs. Dilvir Puri and Mr. Suresh Chowdhury for providing me some photographic illustrations.

Thanks are due to officers of Kumaon Mandal Vikas Nigam and Garhwal Mandal Vikas Nigam specially on the Yatra Route, who provided necessary information from the records. Appreciation is recorded for the temple priest of Badrinath for his hospitality during my survey at Badrinath.

Last, I should not forget Mr. Aziz and family, Mr. Vasta and family, and all my friends who one way or the other, have offered their assistance to me in this venture. Lest I should not forget Mr. P. Chandra, who helped me out with patience in proof reading this work.

Finally, my feelings of gratitude go to my parents and uncle Professor T. Husain, Chairman Department of Mathematics and Statistics, McMaster University, Canada, who kindled the flame of learning in me and to whose encouragement, affection and sacrificial devotion I attribute to all my success.
