**LIST OF TABLES**

<p>| I.  | The Production and Import of the Crops for the Years 1961-1980 | 4 |
| II. | National Income and Agricultural Contribution to National Income and Per Capita Income | 6 |
| III. | Relative Importance of Aggregate with and without Oil in the Total Production in Iraq during the Period 1970-1978 at the 1975 Prices | 8 |
| IV. | Ratio of Agricultural Export to Agricultural Product and Total Export | 10 |
| V.  | Value of Importing Food Materials and Tobacco and their Ratio to the Aggregate of Imports | 14 |
| VI. | Physical Divisions in Iraq | 42 |
| VII. | January Mean Temperature at Selected Stations | 65 |
| VIII. | Average Winter Rainfall at Selected Stations | 70 |
| IX.  | The Mean Temperature for 3 Winter Months and 3 Summer Months at Selected Stations | 77 |
| X.   | The Mean Temperature for the Spring Months and Autumn Months at Selected Stations | 82 |
| XI.  | Average Monthly and Annual Rainfall for Selected Stations 1948-1963 | 83 |</p>

XXVI. The Pump Projects with Length of Canals and Area under Irrigation... 154

XXVII. The Small Projects in the Provinces... 162

XXVIII. Projects Draining Water Directly to River Euphrates... 179

XXIX. Projects Draining Water Directly to River Tigris... 179

XXX. Drainage Projects to Al-Masaab Alaa'm... 180

XXXI. Projects Draining Water Drainage Water to Marshes and Depressions... 180

XXXII. Suitability of Areas with Regards to Cultivation in the Northern Area... 183

XXXIII. Suitability of Areas with Regards to Cultivation in the Central and Southern Region... 184

XXXIV. General Land Use in Iraq... 185

XXXV. Agricultural Land Use in Iraq for the Year 1956... 186

XXXVI. Cultivated Area of the Upper Euphrates Region According to Type of Crops... 189

XXXVII. Classification of Land with regard to Ownership... 191

XXXVIII. Distribution of Agricultural Ownership before 1958... 192

XXXIX. The Number of State Farms for the Years 1968-1980... 207

XXXX. The Number of Groups Farms for the Period 1974-1979... 209

XXXXI. The Number of Cooperatives... 210

XXXXII. The Number of Local Cooperatives... 211
XXXIII. The Cultivated Area, Production, and Average Productivity per hectare in Wheat According to the Provinces in the Year 1969  ...  216

XXXIV. The Cultivated Area, Production and Average Productivity of Wheat in the Year 1973  ...  220

XXXV. The Cultivated Area, Production, and Productivity of Wheat in the Year 1978  ...  222

XXXVI. The Cultivated Area, Production and Average Productivity of Wheat in the Year 1980  ...  225

XXXVII. The Cultivated Area, Production, and Average Yield per hectare/kg of Wheat for the Period between 1958-1980  ...  228

XXXVIII. Average Wheat per hectare/kg in Iraq and some other Countries for the Year 1967 and 1968  ...  233

XXXIX. The Cultivated Area, Production and Average Yield per hectare/kg of Barley in the Year 1968  ...  236

L. The Cultivated Area, Production and Average Yield per hectare of Barley in the Year 1973  ...  238

LI. The Cultivated Area, Production and Average Yield per hectare of Barley in the Year 1978  ...  242

LII. The Cultivated Area, Production and Average Yield per hectare of Barley in the Year 1980  ...  245

LIII. The Cultivated Area, Production and Average Yield per hectare/kg of Barley for the period between 1958-1980  ...  247
LIV. The Cultivated Area, Production and Average Yield per hectare of Lentils in the Year 1970 ... 251
LV. The Cultivated Area, Production and Average Yield per hectare of Lentils in the Year 1973 ... 253
LVI. The Cultivated Area, Production and Average Yield per hectare of Lentils in the Year 1978 ... 256

LVIII. The Cultivated Area, Production and Average Yield of Lentils for the Period between 1958-1980 ... 261
LIX. The Cultivated Area, Production and Average Yield per hectare of Chick Peas in the Year 1970 ... 265
LX. The Cultivated Area, Production and Average Yield per hectare of Chick Peas in the Year 1973 ... 267
LXI. The Cultivated Area, Production and Average Yield per hectare of Chick Peas in the Year 1978 ... 270
LXII. The Cultivated Area, Production and Average Yield per hectare of Chick Peas in the Year 1980 ... 272
LXIII. The Cultivated Area, Production and Average Yield per hectare of Chick Peas for the Period between 1958-1980 ... 275
LXIV. The Cultivated Area, Production and Average Yield per hectare of Flax in the Year 1970 ... 278
LXV. The Cultivated Area, Production and Average Yield per hectare of Flax in the Year 1973 ... 280
LXVI. The Cultivated Area, Production and Average Yield per hectare of Flax in the Year 1978 ... 283
LXVII. The Cultivated Area, Production and Average Yield per hectare of Flax in the Year 1980 ... 285
LXVIII. The Cultivated Area, Production and Average Yield per hectare of Flax for the Period between 1958-1980 ... 288
LXIX. The Cultivated Area, Production and Average Yield per hectare of Dry Broad Beans in the Year 1970 ... 292
LXX. The Cultivated Area, Production and Average Yield per hectare of Dry Broad Beans in the Year 1973 ... 294
LXXI. The Cultivated Area, Production and Average Yield per hectare of Dry Broad Beans in the Year 1978 ... 298
LXXII. The Cultivated Area, Production and Average Yield per hectare of Dry Broad Beans in the Year 1980 ... 300
LXXIII. The Cultivated Area, Production and Average Yield per hectare of Dry Broad Beans for the period between 1958-1980 ... 303
LXXIV. The Cultivated Area, Production and Average Yield per hectare of Sugar-beet in the Year 1971 ... 306
LXXV. The Cultivated Area, Production and Average Yield per hectare of Sugar-beet in the Year 1973 ... 310
LXXVI. The Cultivated Area, Production and Average Yield per hectare of Sugar-beet in the Year 1979 ... 312
LXXVII. The Cultivated Area, Production and Average Yield per hectare of Sugar-beet in the Year 1980 ... 314
LXXVIII. The Cultivated Area, Production and Average Yield per hectare of Sugar-beet for the Period between 1958-1980 ... 318
LXXIX. The Cultivated Area, Production and Average Yield per hectare of Rice in the Year 1968 ... 323

LXXX. The Cultivated Area, Production and Average Yield per hectare of Rice in the Year 1973 ... 327

LXXXI. The Cultivated Area, Production and Average Yield per hectare of Rice in the Year 1979 ... 330

LXXXII. The Cultivated Area, Production and Average Yield per hectare of Rice in the Year 1980 ... 333

LXXXIII. The Cultivated Area, Production and Average Yield per hectare of Rice for the Period between 1958-1980 ... 335

LXXXIV. Average Productivity per hectare of Rice in Iraq and some other Countries in the Year 1967 ... 339

LXXXV. The Cultivated Area, Production and Average Yield of Cotton in the Year 1968 ... 343

LXXXVI. The Area Cultivated with Cotton, Production and Average Productivity in the Year 1973 ... 345

LXXXVII. The Area Cultivated with Cotton, Production and Productivity in the Year 1977 ... 349

LXXXVIII. The Area Cultivated with Cotton, Production and Productivity in the Year 1980 ... 351

LXXXIX. The Area Cultivated with Cotton, Production and Productivity of Cotton for the period between 1958-1980 ... 357

LXXXX. The Area Cultivated with Sesamum, Production and Productivity in the Year 1971 ... 362
LXXXI. The Area Cultivated with Sesamum, Production and Productivity in the Year 1973 ... 365

LXXXII. The Area Cultivated with Sesamum, Production and Productivity in the Year 1979 ... 369

LXXXIII. The Area Cultivated with Sesamum, Production and Average Productivity in the Year 1980 ... 372

LXXXIV. The Area Cultivated with Sesamum, Production and Productivity for the Period between 1958-1980 ... 376

LXXXV. The Area Cultivated with Ground-nut, Production and Productivity in the Year 1971 ... 382

LXXXVI. The Area Cultivated with Ground-nut, Production and Productivity in the Year 1973 ... 383

LXXXVII. The Area Cultivated with Ground-nut, Production and Productivity in the Year 1979 ... 385

LXXXVIII. The Area Cultivated with Ground-nut, Production and Productivity in the Year 1980 ... 388

LXXXIX. The Area Cultivated with Ground-nut, Production and Productivity for the Period between 1958-1980 ... 389

C. The Area Cultivated with Green Gram, Production and Productivity in the Year 1971 ... 393

CI. The Area Cultivated with Green-Gram, Production and Productivity in the Year 1973 ... 396

CII. The Area Cultivated with Green Gram, Production and Productivity in the Year 1979 ... 398
CIII. The Area Cultivated with Green Gram, Production and Productivity in the Year 1980 ... 401

CIV. The Area Cultivated with Green Gram, Production and Productivity for the Period between 1958-1980 ... 405

CV. The Area Cultivated with Millet, Production and Productivity in the Year 1971 ... 407

CVI. The Area Cultivated with Millet, Production and Productivity in the Year 1973 ... 410

CVII. The Area Cultivated with Millet, Production and Productivity in the Year 1979 ... 412

CVIII. The Area Cultivated with Millet, Production and Productivity in the Year 1980 ... 415

CIX. The Area Cultivated with Millet, Production and Productivity for the Period between 1958-1980 ... 417

CX. The Area Cultivated with Maize, Production and Productivity in the Year 1971 ... 421

CXI. The Area Cultivated with Maize, Production and Productivity in the Year 1973 ... 424

CXII. The Area Cultivated with Maize, Production and Productivity in the Year 1979 ... 428

CXIII. The Area Cultivated with Maize, Production and Productivity in the Year 1980 ... 431

CXIV. The Area Cultivated with Maize, Production and Productivity for the Period between 1958-1980 ... 436
CXV. Cultivated Area and Production of Summer Vegetable in Iraq during the Period 1959 to 1980 ... 441

CXVI. The Area Cultivated with Tomato in Iraq during the Period 1961 to 1980 ... 445

CXVII. The Production of Crops over the Year from 1958 to 1980 ... 449

CXVIII. The Development of the various Winter Vegetables from 1961 to 1980 ... 451

CXIX. Quality and Number of Non-permanent Type of Fruits Grown in the Northern Region in 1971 ... 457

CXX. Quality and Number of Fruits in the Northern Region in 1971 ... 458

CXXI. Kinds and Quantities of Non-permanent Type of Fruits Grown in the Central Region of Iraq in 1971 ... 460

CXXII. Kinds of Quantities of Non-permanent Type Fruits Grown in the Southern Region of Iraq as per 1971 Statistics ... 462

CXXIII. Kind and Number of Fruits in the Southern Region in the Year 1971 ... 463

CXXIV. Percentage of the Number of Fruits Trees Cultivated in Iraq ... 465

CXXV. Production of some of the Fruits in Iraq for the Years 1958 to 1980 ... 466

CXXVI. Expected Production and Demand of Fruits Except Dates for the Year 1978 to 1985 ... 468

CXXVII. Water Melon, Cultivated Area and Production in Iraq for the Period 1961 to 1980 ... 469
