ACKNOWLEDGEMENT

I wish to express my profound sense of gratitude and indebtedness to Prof. M. Farooq Siddiqi, Department of Geography, Aligarh Muslim University, Aligarh for his valuable guidance, constant help and encouragement in pursuing the research and presenting it in the form of a thesis.

I am also thankful to Prof. (Mrs.) Abha Lakshmi Singh, Chairperson of Department of Geography and Prof. K.Z. Amani, ex-Chairman for extending all the necessary library facilities and for generating conducive research atmosphere in the department.

Prof. Mehdi Raza and Prof. Abdul Aziz were always ready to help me in my endeavour and were a constant source of encouragement. I am greatly indebted to them for their help.

My sincere thanks are also due to Dr. Abdul Munir and Dr. Farasat Ali Siddiqi, Readers in Geography at A.M.U. for their constant help and suggestions during the course of writing this thesis.

Thanks are also due to Mr. Najmuddin of Departmental Seminar Library for providing all the necessary research material.
In last, but not the least my humble feelings of gratitude are always towards my parents and sisters whose encouragement and affection has always been a source of inspiration for me during my entire academic pursuits.
