ACKNOWLEDGEMENTS

First and foremost, my deep thankfulness goes to Dr. Shagufta Imtiaz, my supervisor, who supported and encouraged me benignly all through this research study. Without her commendable pedagogic supervision and buttress, this work would not have been achievable.

I also wish to articulate my gratefulness to Prof. Imtiaz Hasnain, Prof. S. Asim Ali and Prof. A. R. Kidwai, for their scholastic support throughout the study.

I would also like to concede and put across my contentment to Dr. Mohammad Rizwan Khan (Associate Professor, King Khalid University, Saudi Arabia) for his assistance and suggestions all through this venture.

My appreciation is also extended to all the teachers of the Department of English, AMU, for their assist and generous counsel from time to time.

Most of all, I have been fortunate in having the incisive observations, significant ideas, opinion and support from Dr. Mohd Nazim and Mr. Amir Ahmed Khan (Chungi Officer).

Appreciations are also due to Dr. Maseehullah Khan and Dr. Nasim Akhtar (Barua) who provided opinion and offered proof reading on a draft of this thesis. Without their help, the whole attempt would not have been as complete and as delicately tuned as it has come to be.

Very particular thanks are also due to my close friends Mr. Zohaib Hazarika, Mr. Saud, Mr. Asim Khan and Mr. Ziaurrehman for their kind support and help.

I am particularly and tremendously grateful for the invaluable estimations from Mr. Khan Pervez Rafi, Mr. Suhail Ishaq, Mr. Tarique Wali and Mr. Aqeel for their help at every step.

Thanks are also due to many well wishers and family members namely Mr. Deen Mohammad, Mr. Mohd Yasin, Mr. Mohd Zafar, Mrs. Shahnaz, Mrs. Mehnaz, Miss. Shahin Ashfaq, Master Sheeraz, Master Shehzad, Master Danish, Master Kashif, Sadaf, Anam, Asbah, Ubaid, Shoeb and whose interest in this research was a constant source of encouragement and confidence to me.

And last, but by no means least, my deepest merit goes to my PARENTS and my FAMILY MEMBERS, without whose unfailing love, understanding, encouragement, and support over time and distance, I could not have got this far.
