Acknowledgements

I thank the ALMIGHTY GOD for keeping my life and seeing me through this course. I acknowledge with gratitude the invaluable assistance provided by Prof. Qamaruddin Khan, Research Supervisor, Dean & Chairman, Faculty and Department of Commerce who, despite having busy schedules and preoccupations, was able to snatch considerable time for me. His assistance made it possible for me to write this thesis without undergoing much stress associated with embarking on a project such as this. I am equally thankful to all the Faculty Members in the department who have encouraged me at every stage of the research work. I am highly indebted to them for shaping my career and playing key role in faculty development.

It will amount to criminal offence, if I do not mention the name of Dr. Abdul Quayyum Khan, Reader, Department of Commerce, who imparted to me such knowledge, which was hitherto outside the realm of my understanding. His immense intellectual advice and guidance assistance is without parallel that made me to complete my course. The work has also been in valuably contributed by Dr. Mohammad Fayyaz Guest Faculty, Commerce Section, Abdullah Girls College, A.M.U., Aligarh.

I also wish to thank my fellow colleagues and Room Partner cardinally Mr. S.M. Anas Iqbal (P.C.S Officer), Mohd. Rahatmullah, Abdullah Faiz, Aslam Sultan, Inamur Rahman and host of others who I can’t mention their names for the assistance in one way or other.

I like to thank Mr. Zulfiqar Ahmad and Mr. Shahnawaz Ali Ghouri for providing me his Personal Computer for preparing the thesis. Special and sincere appreciation is due to Mr. Mohd. Razi for the immaculate job of typing the entire work in a record time.
I also owe greatly to the family members of Prof. Qamaruddin Khan and Dr. A.Q. Khan for their support and hospitality that made me feel like home during the entire course of the study.

My humble feelings of gratitude to my parents who kindled in me the flame of earnest for learning. I sincerely describe all my success to my parents whose cooperation and encouragement and sacrificial devotion stimulated me with higher academic pursuit. The writing of this thesis has been beneficed by Professor Rupa Chanda (IIM Banglore), Aripta Mukherjee (Senior Fellow, ICRIER) and Mr. Sumanta Chaudhary (PMI, Geneva).

Sincere thanks to all non-teaching staff of Seminar, Faculty and Department of Commerce for providing the necessary reading ingredients pertaining to research work. The work shall not be without shortcomings and if there is any in the study it goes to the Researcher to take all responsibilities.
